

## Bureau Valley South PTO Grant Request Form

Proposals may be for projects, activities, books, equipment or anything that enhances the academic lives of children of Bureau Valley South. While preference is given to proposals that offer school-wide access to students; teachers, students, and/or parents are also encouraged to submit proposals that will benefit their individual classrooms or grade level. The submission deadline is the Friday before an upcoming Tuesday meeting.

Please place your completed form in the PTO box in your respective school. Forms will be collected by a PTO officer in each building for upcoming meetings. PTO will then review requests and add them to upcoming meeting agendas for approval. Should approval be granted, then the grant must be paid for by contacting Jennifer Moore or Kaliesha Miller (checking account designators) and using the PTO Check Request Form. **No personal reimbursements will be given.**

### Qualifications and Eligibility

- Any BVS student, parent, teacher, staff or community member who is a member of the Bureau Valley South PTO may submit an application. A student application must be co-sponsored by a BVS employee.
- Late applications will not be considered.
- If the request is identical or very similar to a previously funded project, prior success and ongoing need must be demonstrated.
- Technology funding and large equipment/ big ticket items are strongly urged to first be submitted to the BV Foundation and answer received before being submitted to PTO for consideration.
- **In order to assess each grant request fairly, the person or persons requesting the grant MUST be present at the PTO meeting at which the grant application is reviewed or it will not be considered or voted on. (If circumstances prevent said person from being present, prior agreement with PTO must be made)**
- Grants may be fully or partially funded, or not funded at all.
