

Multiple Campus Security Access Form Marshall ISD

Campus/Building Supervisor,

Any employee requesting access to multiple campuses or buildings must have this form signed by their direct report/supervisor and returned to the Technology Department before access will be granted via our Isonas Access Security System.

Security to our campuses, buildings, students, employees as well as Marshall ISD inventory/assets is of the utmost importance. Therefore, it is required to have supervisor formal approval for each employee required to have access to multiple buildings. This form is to be returned to the Technology Department secretary to be filed and a copy be kept by the campus/building supervisor or designee.
