

Ridgedale FFA

# Blue Jacket Journal

August 2018

August 10-12, the Marion County Fairgrounds hosted the second annual Buckeye Classic All Color Antique Tractor and Equipment Show. All different models of antique or new tractors were parked along the fairgrounds for the community to stroll through, look at, and learn new information about the tractors. In Evers Arena, there were stations of all different types of booths and activities for the people to do. The Ridgedale FFA members helped with the booths and participated in a few of the activities. Cheyanne Parker and Clayton Lust competed in a corn toss competition and won twenty five dollars. The officer team also helped with the Tractor Show parade. They handed out cards and pencils to the tractor drivers and collected them to get the tractors in order for the parade. After the parade ended, the members helped clean up after the long, hot day.
