# Blue Jacket Journal

December 2018

On December 5th, 2018 the Ridgedale FFA chapter gathered along with three other chapters to commemorate the achievements of our greenhand recipients. All of our freshman enrolled in freshman ag course passed the test and requirements in order to receive their greenhand degree. The 2018-2019 officers team presented the freshman with their certificates and awards. Hannah Edler and Grant Park represented the Ridgedale FFA by serving on the Marion County Officer team. Our keynote speaker that night was, Gretchen Lee, our Ohio FFA Secretary. Congratulations to all of our 2018 greenhand recipients.
