

Ridgedale FFA

Blue Jacket Journal

October 2018

On October 31st, April Holdbrook visited our FFA chapter to educate our students in the pork industry. She presented a slideshow of information about pigs and the multiple job opportunities that pork production offers. There are over 300 different occupations in the pork industry. At the end of her presentation she called on three volunteers to help her cook a meal made with pork. Each class had the opportunity to make delicious pork fajitas. The recipe was easy and fun and above all healthy! Thank you to April for coming to educate our chapter on the pork industry and for the delicious food.
