

Ridgedale FFA

# Blue Jacket Journal

November 2018

At the end of November, the Ridgedale FFA students began their task of selling fruit! They sold to dozens of members in the community, spanning from the middle of the city to the outskirts of Marion. Some customers were even out of state! The students of our chapter were also tasked to make a \$500 quota, but many of our students went above and beyond. The top three salesmen were Taylor Fremont, Alex Walker, and Riley Brown, who all sold from \$1,000 to even \$4,000! The fruit arrived on December 10th at 7 am, and all of the FFA students were there to pitch in and unpack the fruit. The rest of that day and the day after, the students all delivered their fruit, ending this year's fruit sales.
