

REQUIRED IMMUNIZATION

Upcoming 7th Grade STUDENTS

The State of Florida mandates that a seventh (7th) grade student may not enter school until the ***Florida Certification of Immunization (Form DH680)*** has been updated with required immunizations, or a medical/religious exemption, and turned in to the school office. Students without the required immunization documentation will be excluded from class on the first day of school (August 11, 2020).

If your child **has** received the required **(Tdap) Tetanus booster** for 7th grade, we must have a copy on file at the school. Please contact the school to schedule a time to drop off the updated ***Florida Certification of Immunization (Form DH680)***.

If your child **has not** received the **(Tdap) Tetanus booster**, please contact your child's physician to schedule an appointment, as soon as possible. Please make sure the doctor's office or clinic signs and stamps the name and address on the ***Florida Certification of Immunization (Form DH680)***.

If you have any questions, please call Destin Middle School 833-7655 or the Okaloosa County Health Department at 833-9240. Visit [Florida Health Department School Immunizations](#) for more information on require immunizations in the state of Florida.
