U.S. News & World Report ranks Florida's Higher Education #1 in the country! With 12 members of the State University System and 28 members of the Florida College System. Florida offers a wide range of programs, degrees and experiences. Please visit floridashines.org.

The Talented Twenty Program: The Talented Twenty Program is part of the Governor's Equity in Education Plan. The purpose is to guarantee admission to students who succeed in their respective K-12 public schools, and to encourage students to strive for better grades and a rigorous curriculum. The Florida Department of Education and Florida Board of Governors has created a frequently asked questions document to assist public school counselors with navigating the process. Please visit www.fldoe.org/schools/family-community/activities-programs/talented-twenty-program/ for details and step-by-step instructions.

Florida Student Scholarship & Grant Programs: Students must submit a completed Florida Financial Aid Application (FFAA) to the Office of Student Financial Assistance for programs such as the Florida Bright Futures Scholarship Program, Jose Marti Scholarship and Scholarships for Children and Spouses of Deceased or Disabled Veterans. Please visit floridastudentfinancialaidsg.org

AA degrees for graduating seniors: A high school student earning dual enrollment credit and/or an AA degree in high school is considered a first-time in college student and should submit an application as a first-year student, not as a transfer. Earning the AA while in high school does not guarantee admission into a specific state university.
