## ♥ America's White Table

Margot Theis Raven

Sleeping Bear Press (2005)

### Summary:

The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table Katie comes to understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table...but it felt as big as America when we helped Mama put each item on it and she told us why it was so important. "We use a Small Table, girls," she explained first, "to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty." "We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return," she continued. "We push an Empty Chair to the table for the missing soldiers who are not here..." Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for 30 years. Margot's first children's book, *Angels in the Dust*, won five national awards, including an IRA Teacher's Choice Award. Her first book with Sleeping Bear Press, *Mercedes and the Chocolate Pilot*, was the runner-up for the 2004 Texas Bluebonnet Award. She lives with her family in Charleston, South Carolina. Mike Benny's illustrations have appeared in *Time*, *GQ*, *New Yorker* and *Sports Illustrated* Magazines. He has also been awarded two Gold Medals from the Society of Illustrators. This is Mike's first children's book. He lives in Austin, Texas with his wife Mary Ann and daughter Adele.

## ♥ Bob & Rob & Corn on the Cob

Todd McQueen

Sky Pony (May 13, 2014)

### Summary:

Bob and Rob are two squirrels who just love eating corn on the cob. Their friends—a duck, a dog, a chicken, and a piglet—also love corn on the cob, but not Ella Mae Dobbs, a rabbit with a more refined palate. She's a little bit of a snob when it comes to trying foods she doesn't like. She prefers curly-cut carrots, hot cheese fondue, and especially tofu! Bob and Rob devise a plan to get Ella Mae to try corn on the cob—and in return they will try some of her favorite foods too. And while they may not find their next favorite food, Bob, Rob, and even Ella Mae Dobbs find that it's important to try new foods. You may be pleasantly surprised at what you find. From debut author and illustrator Todd McQueen, *Bob & Rob & Corn on the Cob* is a whimsical, educational, and hilarious romp into the world of two corn on the cob-loving squirrels. Perfect for the picky eater in your life who isn't getting the message through *Green Eggs and Ham*, this is sure to have them giggling while trying foods they originally turned their noses up at. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**erflies in My Stor**  
and Other School Hazards

## Butterflies in My Stomach and Other School Hazards

Serge Bloch

Sterling Publishing Company (2008)

**Summary:**

You can bet your bottom dollar this funny story is the cream of the crop--and the best thing since sliced bread! Award-winning artist Serge Bloch will have kids laughing their heads off at this child's-eye look at idiomatic expressions like "ants in your pants," "homework is for the birds," and "cat got your tongue?" These commonly used sayings make sense in the adult world, but just imagine what a child pictures when she hears it's "raining cats and dogs!" With witty and wonderful images that mix whimsical line drawings with photographs of inanimate objects, Bloch gives us a unique and sympathetic perspective on a boy's first day of school where colorful butterflies flutter in our hero's stomach and a cloud rains on him when he's "under the weather." Even the "big cheese" Principal has a body cut out of a block of Swiss.

♥ **D is for Democracy**  
**A Citizen's Alphabet**

Elissa Grodin

Sleeping Bear Press (2004)

**Summary:**

Illustrated by Victor JuhaszDemocracy -- America has it and it seems like many other countries want it. But what exactly is a democracy and how easy is it to maintain? Despite the banter in today's media, many Americans are still in the dark when it comes to knowing and acting upon their rights and responsibilities as citizens of a democratic society. In refreshingly candid and straight-to-the-point language author Elissa Grodin takes readers of all ages on an A-Z trip through our government's structure, from its earliest beginnings to definitions of basic components and concepts (including immigration and taxation). Engaging, disarming, and frequently thought-provoking artwork from illustrator Victor Juhasz emphasizes the magnitude of the subject. From founding fathers, first ladies, and the First Amendment to the presidential oath of office, D is for Democracy details the political processes, parties, and people of democracy, American-style. Elissa D. Grodin grew up in a large family in Kansas City, Missouri, and was fifteen years old when she started to write short stories. While living in London in the late '70s, she wrote for the Times Literary Supplement and New Statesman. After moving to New York, she studied at the School of Visual Arts and met her husband, actor Charles Grodin, while interviewing him for American Film magazine. D is for Democracy is her second children's book with Sleeping Bear Press. She also wrote N is for Nutmeg: A Connecticut Alphabet. Elissa lives with her family in Wilton, Connecticut. A graduate of the Parsons School of Design, Victor Juhasz began illustrating in 1974 while still a student and has been working non-stop ever since. His humorous illustrations and caricatures have been commissioned by major magazines, newspapers, advertising agencies, and book publishers both national and international, and his clients include Time, Newsweek, The New Yorker, Rolling Stone, The New York Times, The Washington Post, and GQ. ## ♥ Dancing Hands

**How Teresa Carreño Played the Piano for President Lincoln**

Margarita Engle

Simon and Schuster (August 27, 2019)

### Summary:

Winner of the Pura Belpré Illustrator Award A Kirkus Reviews Best Picture Book In soaring words and stunning illustrations, Margarita Engle and Rafael López tell the story of Teresa Carreño, a child prodigy who played piano for Abraham Lincoln. As a little girl, Teresa Carreño loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa's music bring comfort to those who needed it most?

## ♥ Moonlight and Shadow

Elisabeth Jones

Ragged Bears (2002)

### Summary:

The creators of *Sunshine & Storm*, praised by *School Library Journal* for its outstanding artwork which reinforces the emotions expressed in the text, surpass themselves in this magical story about a little horse who is afraid of his own shadow. The young horse Moonlight is alone in his field for the first time. As the moon rises, Moonlight sees something out of the corner of his eye...a BIG BLACK HORSE! Moonlight gallops away in fear, Shadow chases after him, growing bigger and blacker as the two horses gallop faster and faster. Exhausted, Moonlight can run no farther. He must turn and face up to his fear. Intense watercolors portraying the little horse and his shadow in the moonlit snow give this unusual story a dream-like feel. The dramatic chase is softened by a reassuring resolution, resulting in a gentle, effective story about overcoming one's fears. A simple, lyrical story line and wonderful washy, impressionistic animal paintings that capture the very essence of the horses will surely establish this pair as creators of compelling animal stories.

Lyn Rossiter McFarland

Farrar, Straus and Giroux (BYR) (March 15, 2005)

### **Summary:**

A mouse counting on a snackA peckish mouse on the hunt for a light snack - something like a piece of cheese - climbs up the table and finds a feast fit for a king. He prepares an enormous platter filled with everything from chicken legs to tacos to cupcakes - and of course there's cheese, too. However, the cat is onto him, and a chase ensues as the mouse desperately shoulders his smorgasbord back to his hole - but it's too small! All the food flies up, up, up, landing on the unfortunate feline. All except the cheese, that is, which bounces safely into the mousehole. In addition to being a happy adventure with the simplest of texts and hilarious pictures, there is the bonus of counting the items of food the mouse piles on - and later loses - from the single cheese portion up to the ten slices of chocolate cake.

## ♥ Oh, the Places You'll Go!

Dr. Seuss and Theodor Seuss Geisel

Random House (1990)

Illus. in full color. "Don't be fooled by the title of this seriocomic ode to success; it's not 'Climb Every Mountain,' kid version. All journeys face perils, whether from indecision, from loneliness, or worst of all, from too much waiting. Seuss' familiar pajama-clad hero is up to the challenge, and his odyssey is captured vividly in busy two-page spreads evoking both the good times (grinning purple elephants, floating golden castles) and the bad (deep blue wells of confusion). ## ♥ One Fish, Two Fish, Red Fish, Blue Fish

Dr. Seuss

Beginner Books (1960)

### Summary:

Back in 1957, Theodor Geisel responded to an article in Life magazine that lamented the use of boring reading primers in schools. The instant success of the book prompted Geisel and his wife to found Beginner Books, and Geisel wrote many popular books in this series, including "Hop on Pop," "Fox in Socks," and "Green Eggs and Ham." Other favorite titles in this series are "Go, Dog, Go!" and "Are You My Mother?" by P. D. Eastman, "A Fly Went By," by Mike McClintock, and "Put Me in the Zoo," by Robert Lopshire. ♥ **Pigs**

Gail Gibbons

Holiday House (January 1, 1999)

**Summary:**

Wallow in fascinating facts about the smartest of all farm animals-- the pig. From ancient wild boars to modern breeds, pigs are intriguing-- and often misunderstood. They may roll in mud when it's very hot out, but prefer to be clean and tidy. And most pigs don't "eat like pigs." With clear, simple text and bright, well-labeled watercolors, Gail Gibbons explores the truth about pigs. Digging up truffles, competing in county fairs, grunting and squealing to communicate-- these flat-snouted farm animals are complex and surprisingly talented. ♥ **Saturdays and Teacakes**

Lester L. Laminack

Peachtree (August 20, 2009)

**Summary:**

Every Saturday a young boy rides his bicycle up and down country roads past farms, a graveyard, and a filling station, until he reaches his beloved Mammaw's house. She is waiting for him. While she picks tomatoes, he pushes the lawnmower through the dew-wet grass. Afterwards, he always helps her make teacakes from scratch, breaking the eggs and stirring the batter. But the best part, he remembers, is eating the hot, sweet cakes fresh from the oven. Set in a small town in the Leave It to Beaver days of the mid-sixties, the story evokes a gentler and more innocent time and place. Young readers will almost hear the sounds of bicycle wheels on gravel and the creak-craack-creak of a metal glider in Laminack's richly detailed prose. Award-winning illustrator Chris Soentpiet's images beautifully capture the relationship and the place, perfectly depicting the simplicity of an earlier time.

## ♥ The Gingerbread Boy

Paul Galdone

Houghton Mifflin Harcourt (1975)

**Summary:**

"The classic tale of the old couple, with no children of their own, who bake a gingerbread boy to keep them company. Just as the little old woman is about to take him from the oven, he slips away and runs out the door past a cow, a horse, a group of threshers, mowers, etc. All follow in hot pursuit until the gingerbread boy meets up with a wily fox, and 'at last and at last he went the way of every single gingerbread boy that ever came out of an oven . . . He was all gone!' A wonderfully frenetic cross-country chase is depicted in Galdone's broadly humorous color wash drawings. Of the eight editions of this well-known story now in print, this hilarious version is the most delectable." —School Library Journal, starred "Galdone has already proven many times over that he is perfectly at home with those traditional nursery tales that are still preschoolers' favorites, and his expressive, unassuming style just right for their very young audience. . . . Children will follow along breathlessly . . . right up to that last snip snap snip when the Gingerbread Boy goes 'the way of every single gingerbread boy that ever came out of an oven.'" —Kirkus Reviews

## ♥ The Snowy Day

Ezra Jack Keats

Penguin (2012)

### Summary:

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un dia de nieve.) Praise for The Snowy Day "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more--a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." --The Atlantic Ezra Jack Keats's classic The Snowy Day, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow.--Publisher's Weekly

## ♥ We the People

**The Story of Our Constitution**

Lynne Cheney

Simon & Schuster Books for Young Readers (September 9, 2008)

**Summary:**

America had won the Revolution, but our troubles were far from over. The thirteen states were squabbling, the country could not pay its bills, and in Massachusetts farmers had taken up arms against the government. Was our country, which had fought so hard for its independence, going to survive? In May 1787 delegates from across the country -- including George Washington, James Madison, and Benjamin Franklin -- gathered in Philadelphia and, meeting over the course of a sweltering summer, created a new framework for governing: the Constitution of the United States. Their efforts turned a shaky alliance of states into a nation that would prosper and grow powerful, drawing its strength for centuries to come from "We the people" and inspiring hope for freedom around the world.
