Parent Involvement Plan was reviewed and all members approved after the motion to approve and seconded was made.

Ms. Wheat told us about Governor DeSantis wanting to eliminate State testing after this school year. We do not yet know what that will mean for our students, but we will be switching to Progress Monitoring, much like what we do with Unique Learning Systems currently.

Half Cent Sales Tax Update: Our school will be receiving a building with four classrooms to replace three portables. The plan is for the building to begin construction in January of 2022. We will also be receiving a new roof and improvements to playgrounds to make them more wheelchair accessible.

New Business: We will be looking at our by-laws at the October meeting. Heather Jordan and Mary Brumley decided to look over the by-laws before the October meeting to determine if any changes need to be made or any suggestions.

Ms. DeBerry motioned that the meeting be adjourned with Ms. Brumley seconding. Meeting adjourned at 3:45.
