

FAYETTEVILLE SCHOOL DISTRICT POLICIES

4205 – POLICY ON DISTRICT WEBSITES

District, school, and classroom webpages are public documents giving the outside world access to District, school, and classroom information. All District webpages should support the educational aims of The Fayetteville Public Schools and promote the professionalism of the District and quality of its image.

- ✓ School web pages may contain acknowledgments of school partnerships or sponsorships. Web pages may provide links to partners' or sponsors' websites. However, commercial use of the FPS District Website is strictly prohibited.
- ✓ All Teachers are encouraged to use web sites to foster communications with students and parents. Any opportunity available to enhance these communications through the use of District websites should be utilized.
- ✓ Student “Directory information” may be released without written consent in accordance with District procedures as documented in the Student Handbook in the section on the Family Educational Rights and Privacy Act (FERPA). FERPA directory information is currently defined at this location: <http://www.ed.gov/policy/gen/guid/fpco/ferpa/mndirectoryinfo.html>
