Discussion

Jody Ray had to change the negative numbers to positive numbers on the amended budget.

Jeremy Hill informed the board that Willow Creek Elementary has been dealing with supply issues regarding their improved playground, therefore, they will have to reapply in January 2023, for any amount of money that they are unable to spend this year.

Jody Ray noticed on a bank statement she acquired directly from the bank that on November 7, 2022, there was a \$400 cash withdrawal. Upon further investigation, she found out that the bank mistakenly charged our bank account \$400 cash. This mistake has been rectified, and the \$400 has been deposited back into our account.

It was decided that at the beginning of our January 2023 Grant Proposal meeting, we need to remind everyone that it is their responsibility to get their invoices/receipts turned

in no later than December 31st. They will not be receiving reminders from this board. This rule will also be added to our web page.

January 16, 2023, is the date set for the yearly Grant Proposal meeting.
