a COLLEGE DEGREE ASAP

THE ONE-YEAR ACCELERATED ASSOCIATE DEGREE

IVY TECH COMMUNITY COLLEGE

The Associate Accelerated Program (ASAP) at Ivy Tech Community College provides students with the opportunity and the support to earn a valuable associate degree in just 11 months. ASAP graduates can transfer their degree to any number of four-year colleges with junior status to complete their bachelor's degree, saving them time and money. This program has a selective enrollment process for motivated students between the ages of 18-21.
