Staff Development Days*

Days missed due to dangerous or extreme weather conditions will be made up from the 13 days stockpiled by attending school 7 hours per day. State law allows these days to be designated for Staff Development*. Two days have been designated for Staff Development and 11 days for dangerous weather conditions. Beyond 11 days, January 15, 2024, would be used first. Other days will be added to the end of the school year.
