Last night the girls 7th & 8th grade basketball teams got back on the winning track by defeating Beech Grove. Great job, Ladies!

Last night the CPMS swim team traveled to Mooresville. The girls won and the boys lost a close one by just 3 points. Our first place winners were Amelia Edens, Haley Achs, Gwen Preilis, Lydia Johnson, Cooper Campbell, Zach Brodnik, Brady Campbell, Sydney Hall and Karina Lopez, Kenny Walls and Carli Merchant. Carli also broke our school's 4 dive record with a score of 125.85! Great Job Warrior swimmers! We are back in the pool on Monday.

Students I want to share some important changes regarding use of your Chromebook. Beginning immediately CPMS will shut down all Chromebooks for use between the hours of 11:00 p.m. - 6:00 a.m. Monday through Sunday for student safety and health. As you know this is a school owned device and should only be used for school related activities. You should not be working on school related assignments past 11:00pm at night. Please be pro-active and get your work done earlier in the evening so you can get plenty of sleep at night and continue to be productive at school. If you have any questions please see someone in the office or speak with Mrs. Allee.
