

School Wellness Committee

Are you concerned about the health and well-being of students, staff, and families in a school community? Then we have just the thing. The school wellness committee implements the district's wellness policy and leads other health-related initiatives.

Reach out to Krystal Hoernlein, Food Service Director at krystal.hoernlein@merps.org to express your interest in being part of this initiative and to find out when the next meeting will be held.
