

ALLIANCE FOR COMMUNITY ENRICHMENT SCHOLARSHIP (ACE)

The Alliance for Community Enrichment (ACE) is a local non-profit organization which was established to give young adults in the South Holt area an opportunity to participate in projects that will improve their local communities. This community service organization is offering a \$250 scholarship to encourage young people in our school to pursue further education and training in their chosen field.

The Alliance for Community Enrichment (ACE) scholarship is open to any current graduating senior of South Holt R-1 High School. Any student awarded this scholarship must show proof of enrollment at any vocational/technical school or college before receiving the scholarship money.

Applicants for this scholarship must include a completed application, two letter of reference, and a summary or profile showing participation in school and/or community organizations and activities. The confidential letter of reference should be from persons not related to the applicant. The profile should include any volunteer service in which the applicant has participated.
