

Adult Basic Education (ABE)

What is it?

If you want to increase your reading skills and learn how math can help you with everyday tasks like shopping, estimating, budgeting and balancing your checkbook, ABE classes are for you!

Tell Me More!

- Provides classes in basic skills of reading, writing & mathematics
- Prepares you for higher academic classes or the labor market
- Funded through state & federal grants
- NO REGISTRATION FEE
- Nominal book and/or materials fees for each class
- Transportation is available to those who qualify through the WAVE
