

# Maine College & Career Access

*Removing Obstacles Achieving Dreams*

## What is Maine College & Career Access Program?

- Get college-level basic skills at fraction of college-level cost
- Improve math, reading, writing & computer skills
- Learn about college life & expectations
- Learn about career choices

## Who should apply?

- High School Credential (HSC) candidates
- HSC graduates who need to improve skills
- Those referred by local colleges

## Accuplacer!

- Identify strengths and weaknesses
- Placement based on skill level

## Requirements?

- Minimum of 4 hours of free career/college counseling
- Completion of required courses
- Although registration fees are waived, there are some book rental, material and/or lab fees
- Participation in cohort activities

## Tell Me More!

- Eligible for a \$500 Scholarship
- Class registration fees waived
- Free transportation via WAVE
- Visit local colleges
- Free career/college counseling
- Help with college applications & financial aid

## Interested?

- Call SCAE at (207) 490-5145 or visit [www.SanfordLearns.org](http://www.SanfordLearns.org)
- Schedule CASAS reading & math assessments
- Schedule intake meeting

*“SCAE made it very easy for me to start school and prepare for college. I was very apprehensive since I haven’t attended school in seven years. However, after taking the Math and Reading Assessments, I was relieved to know I’d be placed in classes at the appropriate level.”*

~Brittanie LaChance
