2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

At Burbank everyone will grow in a safe and supportive environment, while developing a lifelong desire to learn. In order to achieve our mission Burbank Elementary will align with Modesto City Schools' strategic goals and utilize Communication, Collaboration, and Celebration as a road map to our destination.

COMMUNICATE: Information regarding the Common Core State Standards is presented to all stakeholders. Presentations to parents occur during School Site Council, English Learner Advisory Committee, Parent Involvement and Engagement, Parent Cafe and Parent Nights. Teachers gain information through District and site trainings. Academic and behavioral expectations are established school-wide and communicated through parent conferences, site level meetings, and school publications. Burbank Elementary is committed to increasing the level of communication with all parents, students and staff.

COLLABORATE: Teachers meet on Collaboration Days to analyze and create plans of action to increase the level of student achievement. Our instructional staff works diligently to prepare our students for the Common Core State Standards and assessments by designing and delivering instruction that is both rigorous and relevant.

Burbank is committed to highlighting effective instructional practices and acquiring the resources necessary to achieve our goals. Parents are actively sought as partners in our school improvement endeavors. Volunteering is encouraged both at the classroom level as well as school-wide through committees and special projects.

Parent Café meetings are designed to provide parents with information and learning opportunities that will assist them in working with their students at home. Site administration works with students, teachers, and parents at the school level as well as with district leadership to strengthen partnerships and build better understanding of our goal to raise the level of student achievement at Burbank Elementary.

CELEBRATE: Through our efforts to communicate and collaborate, we are committed to celebrating the accomplishments of our school community. Student recognition programs for attendance, academic, and character achievements are implemented. Students are recognized for their accomplishments via school-wide messages, newsletters, and the district/school website. We will know that we as a school community of staff, parents and students have achieved our vision when all students who pass through our hallways leave Burbank as successful, academically and socially capable, self-reliant problem-solvers who are being prepared to be College and Career ready.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Based on the latest Williams Act Facility Inspection (8-10-2020) evaluation it was noted that no significant deficiencies were found that could be categorized as an "emergency or urgent threat to the health and safety of the pupils or staff." Burbank received an overall facilities rating of "exemplary." Site staff is working in conjunction with district personnel to address areas that are in need of repair.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has classrooms, a cafeteria building, a library, a family learning center and an administration office. The main campus was built in 1943 and opened in 1943.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Maintenance & Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Opportunities for Parental Involvement Contacts:

Kristen Panou, Principal

Samora Mellor, Vice Principal

Brenda Martinez, Administrative Assistant Contact Phone Number: (209) 574-1962 Parent Involvement Plan

Burbank Elementary School's plan to increase parent involvement: COMMUNICATE

Communication between home and school is regular, two-way, and meaningful.

A Parent-School-Student Compact is provided annually. This compact describes the school's responsibility to provide high-quality curriculum and instruction and an effective learning environment, the student's responsibility to learning as well as how parents are responsible for supporting their child's learning by monitoring attendance, homework completion, volunteering and participating in school activities.

Monthly newsletters are provided to inform parents of upcoming events and important information (also updated on our webpage).

Parents are invited to an annual Title 1 Parent Meeting where parent rights, parent involvement opportunities, Title I Programs, student performance data analysis, parent/staff/student compacts, and Title I requirements are explained.

Burbank hosts a Back-to-School Night at the beginning of the school year as an opportunity for parents to meet their child's teacher and receive information about classroom routines, expectations, and grade level curriculum.

2021-22 Opportunities for Parental Involvement

Parents are encouraged to become involved in Burbank School PTA.

Parents are welcome to participate at school and are actively pursued for volunteering.

Parents are encouraged to participate in committees such as School Site Council, English Learners Advisory Committee, Parent Involvement and Engagement, School Safety Committee and Parent Cafe's. Agendas are published in advance for these meetings and all parents are encouraged to attend even if they are not a committee member. Meetings are publicized through flyers, the monthly newsletter, and via the school website.

Parents are given the opportunity to nominate and elect fellow parents to various leadership roles that provide oversight for the school such as School Site Council, District Parent Involvement and Engagement, English Learner Advisory Committee and School Safety Committee.

Teachers conference with parents in person, via telephone/TEAMS meetings online, or written notes and help parents with strategies for supporting schoolwork and homework.

Parents are provided progress reports mid-way through each trimester and report cards at the end of each trimester. These detail their child's academic progress for the school year.

Parents are able to communicate with their child's teacher for clarification on issues pertaining to their child.

Students in 4th, 5th, and 6th grades are provided daily academic planners to assist in home/school communication regarding assignments and upcoming projects.

Parents are given access to PowerSchool to monitor attendance and grades via the district's website.

School newsletters and other important school information are posted on the webpage in English and Spanish.

Parents receive automated phone messages (School Messenger) reminding them of important upcoming events, minimum days, important deadlines or school safety concerns, etc.

Parental Involvement Plan and Single School Plan for Student Achievement is located in the front office so that it is accessible to parents.

COLLABORATE

Parents play an integral role in assisting student learning. Student achievement will increase through effective collaboration between the home and school.

Parent support and assistance is needed and welcomed.

The school partners with parent and community organizations, such as local businesses and the Center for Human Services, Sierra Vista, Stanislaus Community Foundation, StanREADS!, and the Stanislaus County Library, to assist in achieving our school goals.

Parenting skills are promoted and supported.

Parenting workshops are provided to help educate parents on child-rearing strategies and social development awareness.

ELAC (English Learner Advisory Committee) meetings are held at least 5 times throughout the year. These meetings are an opportunity for parents of English Learners to analyze site data, learn about various programs available for English Learners as well as provide input on the quality and effectiveness of those programs.

SSC (School Site Council) meetings are held at least 5 times throughout the year. These meetings review the Single School Plan for Student Achievement. The council helps monitor and evaluate the effectiveness of the programs and helps determine the funding for various activities that promote student achievement.

PI&E (Parent Involvement and Engagement) meeting is held to review Compact and Policy each year.

2021-22 Opportunities for Parental Involvement

Parents are encouraged to participate in the district level committees such as the District Parent Involvement and Engagement and English Learner Parent Participation committees.

CELEBRATE

It is imperative to take time to celebrate our achievements throughout the school year. Parents need to be included in the celebration activities as they play an integral role in their child's success.

Parents are invited to attend awards ceremonies or view virtual Assemblies.

Parents are invited to the annual Open House Night in the spring to view completed projects and student work.

Parents are informed of academic achievements such as Spelling Bee winners, PBIS and perfect attendance, etc. via the school newsletter.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Burbank School Safety Committee annually reviews and updates the Burbank Elementary School Safety Plan. The safety plan is comprehensive in scope. The plan outlines and describes the steps that students and staff will follow to effectively respond to a variety of emergency situations. The School Safety Committee met on April 27, 2021. The committee, consisting of site personnel and parents, meets three times a year. The committee provides input into the revision process by utilizing input from parents, students and staff. This plan includes information regarding the school's physical, social and cultural environment. Playground Supervision and Student Conduct expectations are outlined. School Crisis/Emergency Procedures including Fire, Lock Down, School Evacuation, and Earthquake guidelines are clearly delineated. A Pedestrian Safety Plan, Attendance Plan and Site Dress Code are also included in the comprehensive safety plan. Site staff receive training on the safety protocol and parents are informed of pertinent procedures via the student conduct code and site newsletters.

Professional Development

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, an Induction (formerly BTSA), Peer Assistance Review (PAR) program, as well as a new Administrative Induction Program. For the third year, MCS has provided the opportunity for 1% compensation for those who choose to complete an extra twelve hours of professional development outside of their normal work day.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, English Learners, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division (Curriculum and Instruction & Professional Development) was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike. During the last two years, due to the need created by the COVID-19 pandemic, professional development has also focused on delivering remote instruction and supporting students as they are outside of the classroom.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
