

STANISLAUS FUTURES

A vibrant economy is key to building a healthy community and a better quality of life for all residents. The higher the education level of a region's residents, the greater the impact on the regional economy. However, by 2025, as baby-boomers retire, 2.3 million California jobs will go unfilled due to a lack of college degree holders. The failure to meet the needs of the workforce could seriously limit our economic growth and future.

The Stanislaus Futures Scholarship is a strategic, needs-based award that is open to high school seniors from a Stanislaus County High School involved in college readiness and/or mentorship programs. This scholarship is intended to increase the number of students graduating from high school, enrolling in, and persisting through, college.

Eligibility

To be considered for the Stanislaus Futures Scholarship, you must meet the following criteria:

- Be a high school senior from a Stanislaus County high school graduating in 2022.
- Be involved in a high school-college readiness and/or mentorship program.
- Complete the FAFSA and demonstrate financial need as determined by federal guidelines (an estimated family contribution of \$10,000 or less).
- Plan to enroll full-time at an accredited or qualified post-secondary school pursuing an associate's or bachelor's degree
