Administrative Services Credential For Individuals Prepared in California

Experience Requirements

If you are pursuing the Preliminary Administrative Services Credential, you may complete a one-year, Commission-approved supervised internship in administrative services in lieu of the educational program. You must also have three years of full-time experience in teaching, pupil personnel work, health services, librarianship, or clinical or rehabilitative services (substitute or part-time experience does not count). Full-time service means service for a minimum of four hours per day for at least three-fourths of the total days in the school year.

Prerequisite Teaching Credential

For the Administrative Services Credential, effective July 1, 2013, a prerequisite credential is defined as: A valid California clear or life teaching credential requiring a bachelor's degree and a program of professional preparation, including student teaching; or A valid California clear or life Designated Subjects Teaching Credential, provided the holder also possesses a bachelor's or higher degree from a regionally-accredited college or university or A valid clear or life California Pupil Personnel Services Credential, Teacher Librarian Services Credential, Speech-Language Pathology Services Credential, Clinical or Rehabilitative Services Credential, or a School Nurse Services Credential, requiring a bachelor's degree and a program of professional preparation, including field practice or the equivalent. Holders of any of the other Health Services Credentials, such as the school physician, dentist, dental hygienist, optometrist, clinical psychologist, and psychiatric social worker, do not meet this requirement.

Experience (to Earn a Preliminary Credential)

Five years of successful, full-time experience in a public school, nonpublic school, or private school of equivalent status located in California or another state, or a combination of experience earned in California and another state. This experience may be teaching, pupil personnel work, librarianship, health services, clinical or rehabilitative services, or a combination of teaching and school services equal to five years. Substitute or part-time service does not apply.

Administrative Experience (to Earn a Clear Credential)

Two years of successful experience in a full-time administrative position in a California public school, nonpublic school, or private school of equivalent status, while holding the Preliminary Administrative Services Credential.
