TPSL Certificate and Skil Building Workshops

- ◆ Are you looking for a way to enhance your teaching skills while substitute teaching?
- ◆ Have you been seeking professional development tailored specifically for substitute teachers?
- ◆ Do you want to be eligible to substitute in a single classroom for more than 30 days?

Join us for the Substitute Toolkit Workshops. Each workshop (eleven in all) will provide tools, tips and best teaching practices to support substitute teachers in their work. These workshops will cover universal components for pedagogy, classroom management and other areas applicable to both general education and special education classrooms. Pick, choose and register for the topics that interest you, or register once for all eleven workshops. With the new Teaching Permit for Statutory Leave (TPSL) on the horizon, these 45 hours (Orientation + 11 workshops) will fulfill one of the general requirements for the permit. The TPSL allows you to substitute in class-rooms longer than the traditional 30-Day Substitute Teaching Permit.
