## Board Policy

BP 5133

### STUDENTS

#### Athletic Code of Conduct, 7-12

Participation in athletics is a privilege carrying with it special responsibilities. The public nature of competitive athletic requires standards which exceed the norm and extend beyond the school community.

Students enrolled in 7-12 athletic programs are, therefore, subject to conduct standards and consequences which exceed those indicated in Student Conduct Code, 7-12 for regular students in the District.
