### **CERTIFICATED PERSONNEL**

#### **Evaluation of Certificated Summer School Employees (Instructional)**

#### **PURPOSE OF THE SYSTEM OF CERTIFICATED PERSONNEL EVALUATION**

The District's officially adopted employees' evaluation procedures for certificated summer school employees (instructional) shall be for the purpose of evaluating and assessing an employee's competency as it relates to the progress of pupils toward an established standard of expected pupil achievement, and the employee's ability to demonstrate the essential elements of an effective lesson and the characteristics of effective instruction.

It shall be the responsibility of the Summer School Principal or designee at the secondary and elementary level to evaluate summer school teachers in a systematic manner.
