

SHARE YOUR VOICE

2023-2024 LCAP Advisory Committee Application

We are looking for Local Control Accountability Plan Advisory Committee members to provide feedback and input to the Board of Education regarding our district's progress toward goals outlined in this year's LCAP and the creation of the next year's plan. Your voice is important in making sure we are meeting the needs of all students – especially English language learners, foster youth, homeless youth and low-income students.

Modesto City Schools convenes an LCAP Advisory Committee composed of representatives of our various educational partners and student groups. This committee works closely with District administrators in analyzing, reviewing, revising and formalizing the Local Control and Accountability Plan (LCAP). One key aspect of the LCAP process is the engagement of parents/guardians and students in providing input and feedback.

The committee holds public meetings to study student outcome data and to review related actions and investments for the development of the MCS Local Control and Accountability Plan. The committee makes recommendations for consideration by the School Board in May and June of each year. For more information, visit <https://www.mcs4kids.com/o/mcs/page/lcff-and-lcap>.
