

NAVIGATING JUNIOR HIGH: MEETING # 3

Navigating Junior High School is a series of clinics designed to support our parents, guardians, and community members in developing techniques to enable them to address the educational and social needs of their scholars.

In this third of our four-part series Roosevelt Junior High School administration, staff, and community groups will be providing information in relation to:

1. What are the requirements my learner needs to promote to high school, participate in activities, etc.?
2. What is a Transcript, and how do I read one to ensure I know if my scholar is on-track?
3. What is the Intra and Inter district transfer and how and when do I need to complete and submit it?
4. What is balloting for classes and how do I go about supporting my child in doing so?
