

OUT OF TOWN CONTEST VEHICLE RELEASE

Students participating in any activity sponsored by the Harrisburg School District who attend an out of town activity are to ride to and from that activity in the school vehicle.

The only exception to this rule will be:

1. If forms have been filled out by the parent/guardian, advisor/coach and the Activities Director prior to the day of the event.
2. If an emergency arises at the event and a student needs to leave with the parent, the parent must see the coach/advisor and complete this form.

Written permission is to be delivered by the parent/guardian to the coach/advisor relieving them of the responsibility of the student and the student **MUST** leave with the parent/guardian.

Students will not be dismissed to friends, relatives, or anyone else. Only the parent/guardian can get a student released from riding the school vehicle and only by doing it in person with the coach/advisor. Notes from the student will not be accepted.
