*This was intended to give SENIORS every chance to meet graduation requirements while dealing with the remote and hybrid learning changes imposed upon them due to COVID.*

Beginning with the class of 2020, students have been ranked using the Latin Honors system. Students are ranked based on their cumulative GPA from grades received beginning in the 2016-17 school year.

Summa cum laude	4.00
Magna cum laude	3.75-3.999
Cum laude	3.50-3.749

Physical Education and Service Learning are graded on a Pass/Fail basis; it is also possible to receive a grade of "O" for Outstanding in Physical Education. A grade of "F" affects class rank, but "O" or "P" does not.
