CW Mock Election – On **Thursday, Nov. 3, 2022**, the Conrad Weiser Social Studies Club and Government class will be holding a mock election at lunch. We ask that all students and staff vote that day in the cafeteria. Our Computer Science class created a mock election ballot with candidates and referendum questions. Current Government students and Social Studies Club Members will be running the mock election. This is a great way to learn how voting works and to participate in a school-wide election event.
