Attention 9th - 11th grade students! You will need to check your testing location prior to testing days by viewing the lists posted in the hallways and cafeteria. You will want to give your best effort on these exams as you will be required to retest if you are not proficient. Be sure to get a good night's rest and to eat well on your testing days. Also, if you are absent on testing day, **you will be pulled from class** in order to make-up the test, so it is important to be present. See your Biology teachers for more information. **AM Tech students** who are testing will **not** go to Career Tech on Monday, December 12th.

CONTEST!

You may have noticed the new GIFT themed showcase outside the library - Unwrap the Gift of Reading. There might be a potential GIFT in your future, if you are able to win our next showcase contest. Hidden amongst the gifts are a number of little faces. One of those is my own face (the one I use as my profile pic on Schoology), mixed in with a number of other equally famous faces. Your goals:

1. Find my face and identify where you found it.
2. Identify the names of the other famous faces scattered within the showcase. See the circulation desk for an entry form. The most accurate entries will receive prizes, given out before our winter break.

Attention Juniors! Did you get your PSAT Scores and have no idea what it means? Confused about the SAT? Have questions in general???

Come to a Question and Answer Session during PLT:

Thursday 12/8 (LGI)

Monday 12/12 (LMC Learning Lab)

Thursday 12/15 (LGI)

Don't forget to Sign-up in Flextime!
