From the Assistant Principal:

Greetings:

I wanted to inform parents of our tardy policy. If a learner is tardy three or more times to a class, the learner talks with me. The Discipline Matrix, which is located in the Student Handbook, is followed. If you would like to see your learner's tardies--check Parent Portal under the Attendance Tab.

Success Advisory/Directed Studies is a resource at Harrisburg South for those learners who are beginning to fall behind academically. By being paired with a grade-level facilitator and tutor, a plan is made at the beginning of the day, and then the learner will check out with the grade-level tutor at the end of the day. Parents/Guardians will receive an email notification on Monday morning, and learners will see on their Flex Scheduler their involvement starting on Tuesday. Success Advisory runs from Tuesday-Monday of each week.

Power Hour is a resource provided for learners who would like to complete their assignment before going home. At these sessions, there is a grade-level tutor as well as a facilitator who can help complete the assignments and get any questions answered. There are two sessions for Power Hour: morning (7:30-8:00) and afternoon (3:05-4:00). If interested, fill out the form: [Power Hour Sign Up](#).

With the increased academic expectations, come academic supports, and one of the communication tools we use at Harrisburg South Middle School to help bridge the gap between home and school--and make sure we hold every learner accountable for each assignment--is the program named ICU. In the event a learner gets a late assignment, an email will be sent home letting you know what assignment is not completed and when the assignment is turned in. If you would like text notifications as well, please contact the office.

Another communication tool used with parents/guardians is an email sent home on Wednesday for those learners who are beginning to show academic struggles. This tool is frequently a good indicator of learners who may be issued the academic support listed below.

These grade-level tutors are the following:

- Mr. Sam Lenz: Sixth-Grade Tutor
- Mr. Adam Anderson: Seventh-Grade Tutor
- Mr. Rob VandeLune: Eighth-Grade Tutor

Saturday School is a resource which both Harrisburg Middle Schools use to support academic achievement and help learners get up to speed as quickly as possible. If a learner has three+ outstanding assignments on the ICU database Thursday afternoon, an email will be sent to parents/guardians letting them know his/her learner has been issued the academic support of Saturday School either that week or the following week. More instructions will take place through this communication detailing the support.

As always, if you would like more help with anything related to HSMS, please contact the office, or you can contact me directly at Bradley.hartzler@k12.sd.us.

Thanks,

Brad

From the Counselor:

- **Strengthening Families Program:** Interested in having 7 nights donated to strengthening your family? Carroll Institute is offering Strengthening Families at a low cost! Strengthening Families is a program for youth ages 10-14 and their parents. The cost is \$35 per family for the entire program. They will meet Thursdays in February, March and April at St. Michael Parish on 1600 S Marion Road in Sioux Falls. The evening will include a free meal as well as fun and helpful programming focused on communication, setting healthy limits for your child, managing the pressures of teen years and more. Contact Carroll Institute at 605-336-2556 for more information.
- **Backpack Program:** HSMS is partnering with Feeding South Dakota again to provide the Backpack Program to youth in need. This program provides food to identified children on Friday afternoons to ensure that they have access to food over the weekend. Food packs are placed discretely in the student's locker each week, they include meal items as well as snacks. Please contact Betsy Atwood, HSMS Counselor, if your child could benefit from this program.
- **LSS Mentoring:** Interested in helping kids? Do you have an hour to share each week? Lutheran Social Services is always looking for new mentors. The LSS Mentoring program matches community adults with a child who could use an extra caring adult in his or her life. All mentoring happens at school, during the school year. Most mentors meet their mentee for lunch once a week in a semi-private location at the school. They enjoy lunch and often play a game or do crafts. Mentoring relationships can make a huge difference in the life of a child! If you are interested, apply at https://www.lsssd.org/what-we-do/child-adolescent-services/mentoring/become_a_mentor.html. You can also contact Lisa Falon-Schulz at 605-444-7804 for more information. Make sure to indicate which schools you'd like to mentor at. We'd love new mentors here at HSMS!
- **PATH:** Is your child struggling with anxiety or symptoms of depression? Are they having trouble managing their anger? If your child could benefit from mental health counseling but barriers like finances, insurance, travel or schedules are standing in your way, PATH could help! PATH stands for 'Providing Access to Healing'. It's a United Way initiative that works with Lutheran Social Services to place licensed mental health therapists in area schools to work with students who are in need of mental health services. PATH is not a free service, rather it works with your health insurance to provide easy access to counseling. If lack of insurance or high co-pays are an issue, LSS will work with families to explore ways to make counseling affordable. For more information, contact Betsy Atwood, HSMS Counselor.

Questions about any of these programs or other counseling needs can be directed to Betsy Atwood, HSMS Counselor, at 605-743-2567 ext 5143 or betsy.atwood@k12.sd.us.

Other news:

- Harrisburg Baseball Association: Registration is open for the 2019 Summer Recreation Baseball and Softball Programs. Register today at www.harrisburgtigersbaseball.com.
- The Student Council is sponsoring a "Souper" bowl food drive has been extended through Friday, February 8. The items brought in will be donated to the Harrisburg Food Pantry. We are going to add a twist to the competition by having the winning advisory be the group who can actually stack their items in the highest tower. We will not be counting the items for a winner, but rather, we will be measuring the height of the towers created.

*If your Learner will require medication or cough drops for the 2018-2019 school year, Harrisburg School District requires a new Medication Authorization Form to be completed. This form is available on the Harrisburg School District website. A signed form will need to be completed by the parent/guardian for all over-the-counter medications. Prescription medications will need to have a signed Medication Authorization form signed by both parent/guardian and physician. Medication must be delivered directly to the school nurse/aide or trained personnel by parent/guardian in the ORIGINAL pharmacy or manufacturer's container. If you have any questions and/or concerns, please do not hesitate to let me know.

Sincerely,

Deb Backman, RN 605-743-2567 ext. 5205
