Form for
2023-2024 School Year

Please complete this permission form if you would like your student to use his/her meal account to purchase sack lunch milk other than a daily breakfast/lunch meal. Sack lunch milk will show up in PowerSchool as an Ala Carte item. **Please know that if a student has demonstrated a past history of overcharging the previous school year, they will be denied the ability to charge for the current school year.** Please Sign and return this form to the food service department. We must have this form signed and on file in order for your student to charge for a sack lunch milk. This privilege may be cancelled at any time by parent (notify in writing) or by the District based on the student's history of overcharging and must be renewed at the start of each new school year.

Use his/her meal account to buy a sack lunch milk. **All Sack Lunch Milk items are a $0.50 additional charge.** For all students, even who qualify for free and reduced lunches an adequate amount of funds must be in their account before they can charge to their account. I acknowledge that if such permission is granted, then money must be deposited in the account to cover any additional costs of these items. **If the student doesn't deposit money into the account, he/she will be denied the ability to charge and won't be allowed to use the account to purchase milk until adequate money is deposited into the account.** I understand that Food Service reserves the right to cancel the above privileges should the student's account balance fall below the charge for one lunch or if a student demonstrates a history of over-charging. If the student has a negative balance, they won't be allowed to use their account to purchase milk. **If a student demonstrates a history of over-charging, privileges will be revoked and the student will be asked to pay cash for extra purchases.**
