HGS Art Department Needs Your Help

The HGS Art Department is looking for the following materials for upcoming activities and projects: Playdough, Gallon bags, shoeboxes, plastic grocery bags, and almost any found object you can think of (buttons, ribbons, pipe cleaners, cardboard, paper towel tubes, bottle caps, keys, small plastic containers, etc). Many of these objects will be used in a collage center or for building sculptures. Playdough, gallon bags and plastic grocery bags are a high priority as we get ready to do clay soon. Thank you for your support!

LOST & FOUND

The lost & found continues to grow at Haven Grade School. Please label your child's belongings, including jackets, sweatshirts, coats, and lunch bags. Items that are found on school grounds are placed in the lost and found located in the Cafeteria. The school secretary keeps smaller items, such as money or jewelry. Twice a year, unclaimed items are donated to a charitable organization.

Kids Heart Challenge

Mrs. Roepka's students are currently participating in the Kids Heart Challenge. This is a fun and exciting event where your student learns about their heart while helping others and raising money for the American Heart Association. The Kids Heart Challenge prepares your child for success through physical and emotional well-being. Donations will be accepted through Friday, February 8. Packets went home with your child this week.
