On Saturday the Warrior Wrestling team picked up another team championship by winning the Creston Super 6. The Warriors defeated Creston, New Augusta, Hamilton Southeastern, John Wooden and Mt. Vernon on their way to the title. This brings their record to 9-2 on the season. Great job!

Attention Track Athletes: Those that are staying for track conditioning after school today are to wait until car-riders are dismissed. You will report to the fieldhouse once you are dismissed. Conditioning will be over at 4:30. If you plan on staying, please make sure you have a ride at 4:30.

Students, as the temperature dramatically fluctuates this time of year it's important to dress appropriately and follow these reminders to help you be healthy and not spread germs: regularly wash your hands, use hand sanitizer when appropriate, cough or sneeze into your inner arm or use a tissue, eat regular healthy meals, drink plenty of

water, and get a good night's sleep. Let's all do our part to stay healthy this time of year.

And finally, reality check - there are 51 school days until we begin ILEARN testing. Are you going to be ready? The effort and attitude you exhibit at school each day will greatly impact your results. Work hard today and remember that growth is your goal - let's all do better than last year.
