### **USD #416 Safe Reopening Plan for 2023-2024 School Year**

#### **HEALTH/SAFETY MEASURES**

Per CDC and KDHE guidance, USD 416 recognizes the importance of maintaining a layered approach to protecting students, staff, and the community. For the 2023-2024 school year, USD 416 will resume normal school operations and monitor recommendations from the Miami County Health Department. The district will follow state and federal mandates and protocols are subject to change based on recommendations from federal, state, and local health authorities.

#### **HYGIENE**

USD 416 will encourage effective handwashing and hygiene practices, good respiratory etiquette, and strong cleaning/disinfecting practices.

#### **MASKS**

Masks are optional in our buildings and on all USD 470 property.

#### **VACCINATIONS**

COVID vaccinations are NOT required for students or staff members.

#### **COVID-POSITIVE INDIVIDUALS**

Individuals with COVID-like symptoms should stay home from school until they feel better to return to the academic setting.
