

**FELICITY-FRANKLIN HIGH SCHOOL
PARENT-TEACHER CONFERENCES**

Felicity-Franklin High School will be scheduling Parent-Teacher Conferences from 4 to 7 p.m. on Thursday evening, February 7, 2019 for all students in grades 9-12.

Each teacher will be available for a 15-minute private conference; we hope you will take this opportunity to come to school and discuss with the teacher(s) your child's progress. I recommend that if you have children in the Middle and Elementary Schools as well and you wish to see their teachers that you choose one night of conference per school level. We will only be scheduling one time per teacher per student.

To arrange for a conference for all your children in grades 9-12, please complete the form at the bottom (use one form for all your children in grades 9-12) and have your oldest child return it to the high school office no later than Wednesday, February 6, 2019. Confirmation letters will be sent home with your child letting you know your scheduled conference(s). If you need to change or cancel your conference appointment(s), please call Felicity-Franklin High School at 876-2111.

Respectfully,
Robert Walker
Principal

(Please cut and return)
