

I am Mrs. Bakke and I am beyond excited to be with you all each day this school year! I can't wait to hear about your summer and the new things you learned about yourself and about this world. Every day is an adventure, and every day has something to teach us, so I'm sure you will have a lot to share about your summer!

I grew up in Mayville-Portland ND and have lived in different cities, but now I've been settled in Carrington for 25 years! Goodness that seems like a long time! I have always wanted to be with children. I have done day care, pre-school teaching, volunteer work and substitute teaching most of my life so that I could be with children. I graduated from Mayville State College with a degree in Early Childhood, Elementary Ed and a Kindergarten certification.

I have three grown children who have given me three more grown children to love and so far, 4 little grand girls to love and learn with.

I love to play outside in the flower beds, sand, water and golf cart in the summer. In the winter I love to snuggle in my cozy chair and make picture books for my grand girls. I try to paint on canvas now and again also, but often end up painting rocks or mini canvases with my grand girls.

I am truly thankful for this opportunity, and I cannot wait to learn and help you learn this year!

Peace;
Mrs. Jan Bakke
