

WELCOME

TO FIFTH GRADE

Hello! I'm Ms. Bear and I'm excited to be your fifth grade teacher this year! I have been teaching high school in Montpelier these past three years, and I'm excited to move down to elementary and meet all of you.

A few introductory notes: I'm originally from Montpelier, which is a town about twenty miles south of Jamestown, and I went to college at the University of Jamestown. I have a cat and live with said cat and my fiance, who teaches Secondary Math here in New Rockford! In my free time I read a lot and write a lot (yes, the high school subject I taught was English), and I can't wait to get to know all of you.

Thanks,

MS. BEAR
