Peterstown Elementary School

November 2020

Peterstown Elementary would like to thank the Peterstown Public Library for creating personalized Reading Crates for our classrooms, since we have not been able to make our weekly visits.

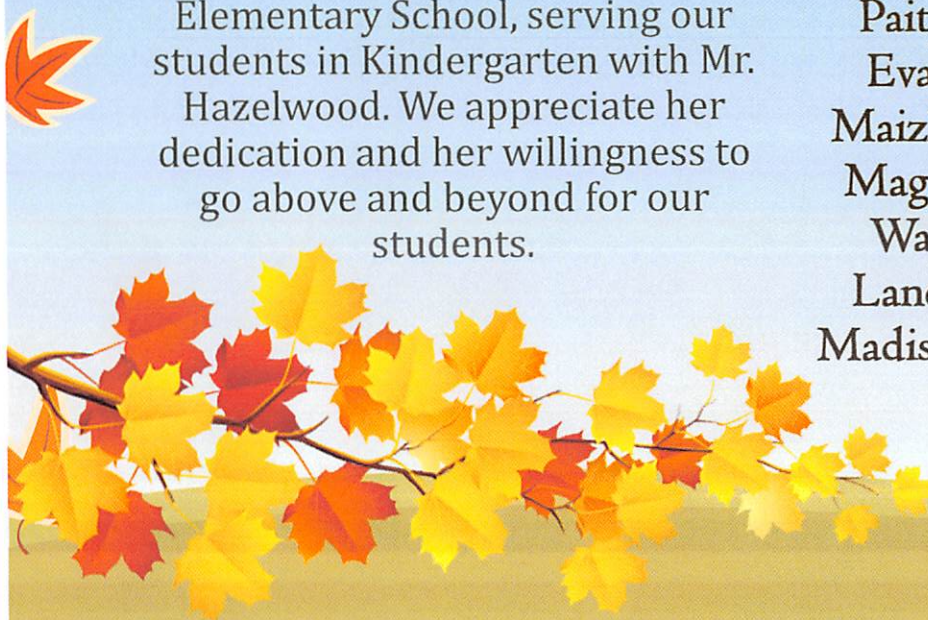

**We Love to Read!**

## **Congratulations Ms. Mary Ann Booth**

for being nominated for both  
Peterstown Elementary and  
Monroe County Service Personnel  
of the Year for 2019-2020. She is  
an incredible asset at Peterstown  
Elementary School, serving our  
students in Kindergarten with Mr.  
Hazelwood. We appreciate her  
dedication and her willingness to  
go above and beyond for our  
students.

## Pre K Celebrates Veteran's Day

Ms. Mason's class did a virtual Thank You for Veterans Day during this pandemic year, instead of their traditional thank you cards. Families were proud to share about their veterans, and four students have dads that have served.

Pre K has switched virtual platforms to Ready Rosie and Teaching Strategies curriculum based apps. Ready Rosie uses video modeling and mobile technology to build partnerships between families and teachers to build children's skills. My Teaching Strategies Family is an app that helps to build an important connection between school and home. It directly relates to current study being taught in the classroom.

Please view and share the link celebrating our Veterans!

## Congratulations Ms. Baker!

Ms. Baker received an anonymous donation of \$200.00 for her classroom. The donation was spent for 12 books for each child, and she has already begun to give those out this fall. Thank you Ms. Baker for doing a phenomenal job teaching our 1<sup>st</sup> graders to read.

## Miss Cardinal's Classroom

Students in Miss Cardinal's third grade classroom recently created posters to tell about what they wanted to be when they grow up. There was a wide variety of careers chosen, which included: a veterinarian, lifeguard, pipefitter, DJ, and a marine biologist. The students worked very hard on their posters and locating information with their chromebooks.

## Hats-Off” To Parents

A huge "hats-off" to Mrs. Copenhaver's -----  
parents/guardians!!! Though it is true that the students  
have been working so hard, it's the parents and guardians  
that take the cake this month!

Our students' parents, guardians, grandparents, aunts,  
uncles, brothers, and sisters have really stepped up to the  
plate to ensure that, even during remote learning, our  
children are learning and growing in knowledge. Many are  
working with their children after long days. All of us have  
had to learn a whole new way of completing schoolwork  
and they have done a phenomenal job!
