THIS WEEK'S SUNDRIES

Butteville Eagle Dancers

Butteville Eagle Dancers! (All kids in grades K-5) performed on **January 31, 2019**, The Butteville Eagle Dancers shared their routines at HALFTIME at the COS BASKETBALL GAME!! Here's the proof!

Safety Committee Update

Recently, two gates were installed in our current fence. One gate is on the west side of the playing field, and the other is behind the portables. Students will be able to use these gates for evacuation in case of emergency. All staff now have radios to be able to communicate with each other during a fire or lockdown procedure. We practiced using radios to determine exit routes last week during our fire drill. In

the future we plan to install fencing around the kindergarten room and in front of the secondary wing of our school and the courtyard where the flag resides. Besides protection, the additional fencing will allow more space for students and teachers to have class outside on those nice, beautiful days. The school is also planning to update our surveillance system on campus.

Resident Artist Week

Resident Artist Week-Artists from the community join each grade to teach art for this week. It is a great time for students to learn from the masters. At the end of the week, student work is constructively critiqued by the artists. Artwork will be displayed during the Butteville Art Auction on April 6th.

Scientists Baffled-Kindergarteners are Centenarians!!!!

Kindergarten had a great day celebrating the 100th day of school with our adorable old people. We enjoyed making necklaces with 100 fruit loops, creating 100 day hats, and writing about what we'd be like at 100 years old.

VarietyShow Auditions:

Variety auditions will be February 5th and 7th Show from 11:40-11:55 and 12:30-1:00. Students will need to get a parent permission slip signed to audition. These will be available from all teachers starting tomorrow. The variety show is March 6th.

Ever thought of working at Butteville?

We are looking for substitutes for our aides and kitchen staff. Come work at our school, nestled in the beautiful hills of Edgewood. Good hours, fresh air, happy students and staff makes this an exciting place to work. If interested, please stop by the front office to pick up an application.

Reminder: Our Butteville Bulletin is online and on a free app for mobile phones. We are continually updating our website to make it more user friendly. We are also looking at the possibility of sending our weekly bulletin via email for your convenience.
