

## **Zachary B. Schulz Memorial Scholarship**

This scholarship is for anyone entering a technical college. Although it is initially meant for those interested in a career in technical trades, all applicants going to further their education at a technical school will be considered.

**Description:** The Zachary B. Schulz Memorial Scholarship was established in 2006 following Zachary's death in an automobile accident in May of 2005. Zachary was a 2002 graduate of Markesan High School where he was involved in sports, FFA, and Student Council. Zachary's friends and softball team established an annual softball tournament that produces the resources to fund these scholarships. Through the loving memory of Zachary and the overwhelming community support, Zachary's family and friends are honored to give these scholarships.

**Due Date:** April 1<sup>st</sup> to the Office

**Requirements:** Students must be continuing their education at a technical college, preferably in a building or business trade, but all applications to a technical school will be considered.

**Amount:** 1 Scholarship at \$1,000. This is the usual amount, but the scholarship committee has the rights to increase or add scholarships at the time of selection.
