- A.) The Board of Education, hereinafter referred to as the "Board", recognizes the Sauk Village Education Association, hereinafter referred to as the "Association", as the sole and exclusive negotiating agent for all regularly-employed certified teachers employed on a permanent and continuous basis in a position for which services are expected to be rendered for a full and complete school term including part-time teachers, all of whom are hereinafter referred to as "teacher" or "teachers", including Social Workers and Psychologists, in District 168 except the Superintendent, Assistant Superintendents, Principals, and Assistant Principals, Directors and Assistant Directors of State and Federal programs, Business Managers, Nurses, Substitute Teachers, Employees of Special Education Cooperatives assigned to this District, certified personnel who may be employed as Aides, Curriculum Coordinators, and other Administrative or supervisory personnel having the authority to hire, discharge or discipline other employees, or having the responsibility to make recommendations thereon.
- B.) The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement; further, the Board agrees not to negotiate with any teacher individually during the duration of this Agreement on matters subject to negotiation.

## **ARTICLE II**

### **PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS**

- A.) For the purposes of this Article only, the following terms shall have the following meanings:

**Vacancy**—a new or unfilled bargaining unit position which cannot be filled by an honorably-dismissed teacher who has recall rights.

**Assignment**—the building and grade level or departmental placement of a teacher.

**Transfer**— (voluntary or involuntary) Change in assignment

**Split Assignment**—an assignment that involved more than one (1) grade level at the elementary level or more than one (1) department at the junior high school level.

**Traveling Position**—one that requires a teacher to perform duties in more than one (1) building.

Release time is defined for this article as time to be used to physically relocate (must report to work).

B.) **Postings**

The Superintendent shall have posted in all school buildings a notice of all certified vacancies which cannot be filled by honorably-dismissed teachers having recall rights, as they occur or as they are anticipated. Any teacher desiring notification of a vacancy in a specific teaching position or building assignment will be given such notice if they file a request with the Director of Instructional Services and during the summer, those teachers must submit to the Director of Instructional Services a personal email to receive notice of vacancies. Except in the case of an emergency no such vacancy shall be filled before having been posted for at least five (5) teacher workdays. Temporary appointments shall not extend beyond the school year in which they are made.

The Association President or their designee shall be regularly furnished the updated listing of all vacancies within the bargaining unit prepared by the Director of Instructional Services.

C.) **Transfers**

- 1.) Any teacher applying for a transfer who is not selected to fill the requested position may request, and upon such request shall be granted an appointment with the Superintendent/with his or her designee to discuss the reasons for the denial.
- 2.) Any teacher presently on tenure or eligible for continuing contractual status in the coming school term may apply for transfer where a vacancy exists. Such application shall be made through the appropriate process to the Human Resource Department.
- 3.) In the event that it becomes necessary for a change in assignment, relocation, voluntary or involuntary transfer to be made during the school year, the teacher affected shall be given two days' release time.
- 4.) Reasonable effort shall be undertaken to avoid involuntary transfers except where the same are required for the effective operation of the schools. Involuntary transfers shall be made known to teachers in the same manner that assignments are made known, by August 1.

When potential transfers are considered by the Administration, such change shall be informally discussed with the teacher without prejudice.

- 5.) All requests for transfer will be considered prior to any involuntary transfers.
- 6.) Any teacher involuntarily transferred shall be granted an appointment with the Superintendent or designee and a union representative to discuss reasons for the transfer if the teacher so requests.
- 7.) Upon the occurrence of a transfer to a new building, an exit conference with the current building principal will be scheduled before the end of the school

year; if possible, and an intake conference will be scheduled with the new building principal before the start of the following school year.

- 8.) Any tenured teacher transferred shall receive priority consideration in any requested transfer for future vacancies. This priority consideration includes the right to the interview process for any position that the teacher is qualified to fill.
- 9.) If an involuntary transfer occurs prior to the start of school, the teacher may resign without penalty by submitting his/her resignation in writing to the Superintendent or his/her designee within five (5) workdays of his/her receipt of the notice of transfer. Notice will be mailed, by regular U.S. and certified mail, to the last known address on record with the District of the teacher. Notice will be assumed to have been received by the teacher three (3) days after mailing, unless the teacher can show proof that actual receipt was on a later date.
- 10.) If an involuntary transfer is made within ten (10) school days of the opening of school, the teacher shall receive up to two (2) additional days release time at the request of the teacher.
- 11.) Teachers who are transferred or relocated shall be provided assistance by the maintenance staff to move materials, supplies, and/or furniture as part of such move. The District shall not be held responsible for any lost or damaged personal property.
- 12.) When a change in assignment within the same building occurs, a meeting will be scheduled between the teacher and the building principal as close to the opening of the school (or as close to the notice of the change of assignment) as possible.

D.) **Assignments**

- 1.) In making assignments in addition to the normal teaching schedule during the regular school term, the Board shall give consideration to the length of service in the District, past performance with extra assignments, specialized training, and education in the particular duty when making assignments, but the Board's decision as to assignments and qualifications therefore is final.
- 2.) Teacher assignments will be subject to the following: A teacher shall be given tentative written formal notice of their anticipated building (grade lever) or departmental assignment for the forthcoming year prior to the end of the preceding school year. Every effort shall be made to maximize amounts of notice to teachers who are transferred.
- 3.) The Board's decision as to assignments, transfers, and promotions shall be final.

E.) **Summer School**

- 1.) All academic positions in the summer school program shall be filled first by regularly appointed teachers in the School District. In filling such positions, consideration will be given, among other factors, to length of service in the District, specialized training, education and experience. Positions for summer school will be posted in all buildings for not less than ten (10) working days.
- 2.) In the event the District offers non-academic courses during summer school the above-mentioned factors shall be considered by the Board. In the event that there are no District personnel available for these positions the Board may use out-of-District persons.
- 3.) In filling summer school positions, qualifications shall take precedence, and the Board's decision as to qualifications and appointments shall be final.
- 4.) Summer school salary shall be thirty-seven dollars (\$37.00) per hour for the length of this contract.
- 5.) Summer school salary shall be paid in two (2) equal parts on the last school day of June and on or before the last day of summer school. Summer school salary shall be issued on separate checks from salary.

**ARTICLE III**

**Teacher Evaluation/Remediation Procedures**

- A.) Philosophy - Teacher evaluation is a continual process made on the basis of classroom visitation and observation of job assignments. Evaluation is a cooperative process where the teacher and evaluator share a joint responsibility and work together to recognize exemplary performance and areas needing improvement.

Evaluation is a means to motivate both self-improvement and help from evaluators so that performance effectiveness may occur.

We believe there should be specific guidelines for duties and responsibilities which evaluators may employ as they counsel and assist the teachers.

- B.) By October 1 of each school year, any and all teachers that are to be evaluated will receive in writing a notice of who their evaluator will be and a complete copy of the evaluation tool to be used:
- C.) The Board and Association shall establish a Joint Evaluation Committee which shall consist of at least five (5) Administrators appointed by the Superintendent of Schools, and at least five (5) teachers appointed by the President of the Association. The chairperson shall be appointed by the Superintendent. This committee will be in accordance with SB7 and PERA Guidelines.

D.) The Evaluation Committee shall review the current evaluation plan and make recommendations, if any, for changes. Any recommended change shall be presented to the Board and the Association by the regular May Board meeting of the first year of the new agreement.

E.) Evaluation Cycle

1.) Non-Tenured Teachers

The performance of regular, full-time, first, second, third, and fourth year staff members shall be formally evaluated in writing a minimum of twice each school year.

2.) Tenured Teachers

Each teacher in contractual continued service will be evaluated at least once in the course of every two as per Illinois School Code, Section 24-A.

F.) Criteria for the Selection of Teachers for Evaluation

1.) Non-Tenured Teachers

2.) Tenured Teachers

a. All tenured teachers on cycle

b. All tenured teachers who have received an overall unsatisfactory or needs improvement rating in the previous school year.

G.) Each evaluation shall be initiated by a pre-evaluation conference between the evaluator and the employee to be evaluated that shall include a review of the expectations of the parties, and a mutual agreement, if possible, on the date(s) and specific time(s) for the observation(s). The pre-evaluation conference must occur by October 31.

H.) Scoring of the Danielson Evaluation Tool/Form

Points are awarded in each Domain according to the following:

- Excellent = 4 points
- Proficient = 3 points
- Needs Improvement = 2 points
- Unsatisfactory = 1 point

Teachers will be allowed to provide additional evidence to improve any rating in any and all domains.

I.) Student Growth Scoring

a. Teachers shall meet with their evaluator to determine the performance indicators by October 31 of the evaluation year.

- Excellent = 4 points
- Proficient = 3 points
- Needs Improvement = 2 points
- Unsatisfactory = 1 point

J.) An overall score will be tabulated based on the following point system.

3.3 – 4.0	Excellent
2.5 – 3.2	Proficient
1.7 – 2.4	Needs Improvement
1.0 – 1.6	Unsatisfactory

An overall score of “unsatisfactory” will result in a remediation plan as per this article.

K.) Post-Observation Conference and Procedures:

The teacher and the evaluator shall mutually agree to a conference to discuss the observation within five (5) school days after the teacher has been observed. The teacher will receive a written copy of his/her observation one (1) school day prior to the scheduled conference.

L.) Summative Evaluation Conference

The teacher and the evaluator shall mutually agree to a conference to discuss the summative evaluation by March 1. Following the summative-evaluation conference, the teacher shall sign a copy of the evaluation report prepared by the evaluator. In no case shall the teacher’s signature be construed to mean that he/she necessarily agrees with the contents of the evaluation only that they have been discussed. A teacher may submit additional comments to the written evaluation if he/she so desires within five (5) school days of the summative-evaluation conference. All written evaluations and the teacher’s comments are to be placed in the teacher’s personnel file. A copy of the response will be provided to the supervisor. The evaluator will sign the response acknowledging that he/she read the material.

M.) Needs Improvement/Professional Development Plan

- 1.) Within thirty (30) school days after the completion of a summative evaluation rating a teacher as “needs improvement”, the evaluator will develop, in consultation with the teacher and an Association Representative, a Professional Development Plan (“PDP”).

- 2.) The PDP will take into account the teacher's ongoing professional responsibilities and will specifically identify supports that the District will provide to the teacher.
- 3.) The PDP will address the areas identified in the evaluation as Needs Improvement and include any areas identified as unsatisfactory. The plan will include resources available within and outside of the District. The plan will include regularly scheduled meetings with the evaluator to determine progress and identify additional resources.
- 4.) The PDP will remain in effect for a minimum of thirty (30) student attendance days but no more than sixty (60) student attendance days.
- 5.) The teacher may receive an additional summative evaluation for only those areas identified in the PDP.
- 6.) Should the teacher fail to successfully complete the PDP then the teacher will be placed on the evaluation cycle for the next school year.

N.) Remediation Plan

- 1.) A remediation plan will commence within thirty (30) school days after completion of "unsatisfactory" evaluation designed to correct deficiencies cited in the evaluation.
- 2.) The teacher rated "unsatisfactory", a consulting teacher, and a District administrator will develop the remediation plan which will contain the following components:
  - a.) Description of the condition(s) in need of change.
  - b.) Clear definition of acceptable levels of performance.
  - c.) Plan to achieve identified expectations.
  - d.) Indication of assistance to be provided.
  - e.) System of monitoring progress.
  - f.) Indicators for success.
  - g.) Resource needs.
  - h.) Time lines for completion.
- 3.) Teachers placed on the remediation plan will be evaluated as follows: An initial evaluation at the 25<sup>th</sup> school day of remediation, a midpoint evaluation at the 45<sup>th</sup> school day of remediation, and a final evaluation at the 90<sup>th</sup> school day of remediation.

- 4.) Any teacher who completes the ninety (90) school day remediation plan with a Proficient or better rating will be reinstated to a biennial evaluation schedule.
- 5.) Any teacher who fails to remediate deficient conduct will be dismissed in accordance with Section 24-12 of the School Code of Illinois (with due process rights).

O.) Consulting Teacher

- 1.) The law provides that "the consulting teacher" is an educational employee who has at least five (5) years of teaching experience and a reasonable familiarity with the assignment of the teacher being evaluated and who received an "excellent" rating on his/her most recent evaluation.
- 2.) The Sauk Village Education Association will provide a roster of qualified teachers for selection of a consulting teacher. A selected consulting teacher may reject a consulting teacher assignment. If no District teachers are available and/or qualified, the District will request the Illinois State Board of Education to supply a teacher. The teacher under remediation shall select a consulting teacher from the consultants' roster.
- 3.) The consulting teacher will advise the teacher rated "unsatisfactory" on how to improve and successfully complete the remediation plan. The final decision on the evaluation will be done solely by the Administrator.
- 4.) The following provisions will be made for the remediation plan to be put into effect:
  - a.) A substitute teacher will be provided for the consulting teacher when he/she needs to be absent from his/her classroom for the remediating teacher.
  - b.) The consulting teacher will maintain a log of consulting hours outside the required school day. This log will be submitted to the administrator at the end of every thirty (30) school days during the remediation period.
  - c.) All meetings will be held on school property.
  - d.) Administrators will be notified in advance of the meeting.
  - e.) The consulting teacher will be paid twenty five dollars (\$25.00) an hour for any consultation time beyond the school day.
  - f.) Meetings will be limited to one (1) hour and five (5) meetings per every thirty (30) school days.
  - g.) Additional meetings must be approved by the consulting teacher and the administrator.

- 5.) It is agreed that any statement(s) made by a teacher to anyone, about a teacher under remediation, which are related to their function as a consulting teacher, are confidential and may not be used by either the Board of Education (or their agents) or the teacher under remediation in any subsequent evaluations, conversations, hearings, etc. It is the intent of the parties that any statements made by the consulting teacher to or about the teacher under remediation shall be in strict confidence.
- 6.) The Board of Education, District 168, shall provide full legal assistance and completely hold harmless any teacher who becomes involved as a defendant in any type of adjudication because of his/her involvement as a consulting teacher. Further, the Board of Education agrees to fully indemnify any such teacher for any legal costs, assessments, damages, bodily injury, etc. If the involvement in any such adjudication or bodily injury requires time off from work, the teacher shall suffer no loss of pay, any leave day, seniority, fringe benefits, or job assignments.
- 7.) Further, the Sauk Village Education Association shall be held harmless by the Board of Education for its involvement in the evaluation process, (i.e., providing a list of possible consulting teachers, working with the Board of Education and/or its agents in developing an Evaluation Plan, etc.).

### **ARTICLE XIII**

#### **GRIEVANCE PROCEDURE**

##### **A.) Definitions**

- 1.) A grievance is any claim by a teacher, group of teachers, or the Association that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement. To make the grievance procedure work, Administration and the union have to approach it with the attitude that it serves the mutual interests of the District, the employees, and the union. An effective grievance procedure helps management discover and correct problems in procedures before they cause serious trouble. It provides a vehicle through which employees and the

union can communicate their concerns to District Administration.

- 2.) All time limits consist of school attendance days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all working days in order that the matter may be resolved before the close of the school term or as soon thereafter as possible. School days for purposes of the grievance procedure shall mean teacher employment days.
- 3.) The Association, the Association representative and President, have the right to participate in the processing of any grievance and represent the grievant at any and all levels. Nothing contained herein shall be construed as limiting the right of a teacher to prosecute his/her own grievance, provided the Association has been notified, the Association representative has been allowed to be present at all steps, and the adjustment is not inconsistent with the terms of this Agreement.

B.) **Procedure**

**Informal Conference**

- 1.) The parties hereto acknowledge that it is usually most desirable for a teacher and his/her immediately involved supervisor to resolve problems through free and informal communication.
- 2.) In the event the matter is resolved informally and an Association representative was not present at the adjustment of the grievance, the supervisor or administrator resolving the grievance shall inform the President of the Association or his/her designee of the adjustment. Should the matter not be resolved to the grievant's satisfaction, the following procedure may then be utilized.

**Formal Procedure**

- 1.) **Supervisor Level.** The teacher or the Association shall present their grievance in writing within twenty (20) working days of the occurrence giving rise to the grievance, or within twenty (20) working days from when the teacher or Association knows or should have known of the occurrence giving rise to the grievance, to the supervisor immediately involved who will arrange for a meeting to take place within five (5) days after receipt of the grievance. The Supervisor shall render a decision within five (5) working days from the time of the grievance meeting.
- 2.) **Superintendent Level.** Within five (5) working days after the supervisor renders his/her decision, an appeal may be taken by the grievant (teacher or Association) to the Superintendent. The Superintendent or his/her designee shall meet and confer with the grievant and his/her representative, if any, within five (5) working days of receipt of such appeal with a view towards adjusting

the grievance. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary. Within five (5) workdays thereafter the Superintendent or his/her designee shall render his/her decision to the grievant and Association representative.

- 3.) **Board Level.** Within five (5) working days after the Superintendent or his/her designee renders his/her decision, the teacher or Association may take an appeal from that decision to the Board. The Board shall hear the grievance no sooner than ten (10) working days or the next regularly scheduled Board meeting that is a minimum of 10 working days after the appeal. The hearing will be informal, but the parties will be allowed to state their views fully. The parties shall be entitled to present witnesses and evidence, and include in the representation such counselors, as they may deem necessary. Within five (5) working days after the hearing on appeals, the Board will communicate its decision in writing to the grievant and Association.
- 4.) **Arbitration.** If the decision of step 3 is not satisfactory to the grievant, or if the time within which the Board must render a decision has lapsed, there shall be available a fourth and final step of impartial and binding arbitration. If step 4 is to be used, the grievant must, within thirty (30) days after either receiving the Board's decision, or the lapse of time within which the Board must render a decision if no decision is so rendered, submit a written demand for arbitration to the American Arbitration Association, which shall conduct the selection of the arbitrator and proceedings according to the voluntary labor arbitration rules of the American Arbitration Association. The arbitrator shall be without power or authority to make any decision, which is contrary to, inconsistent with or which modifies or varies the terms of this Agreement; or which limits or interferes with the Board's duties, powers or responsibilities under applicable law. The sole power of the arbitrator shall be to determine if the terms of this Agreement have been violated, misinterpreted, or misapplied. The decision and/or award of the arbitrator, if made in accordance with his/her jurisdiction and authority under this Agreement, will be binding upon the parties. The arbitrator is empowered to include in any award such financial reimbursement or other remedies he deems proper. Expenses for the arbitrator's services and expenses, which are common to both parties at arbitration, shall be borne equally by the Board and the Association, including the cost of the transcript if both parties desire same.

C.) **General Provisions**

- 1.) The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level. The grievant has the right to choose his/her representative. However, should any time limits be extended, it must be by mutual consent of all parties. Should consent not be given, the meeting shall not be delayed so long as another union representative is available to attend.
- 2.) The Board, the administration, and the Association shall cooperate with each other in their investigation of any grievance. This cooperation will include two-

way conversations concerning the grievance and possible solutions.

- 3.) No reprisals of any kind shall be taken by the Board or the Association against the teacher because of his/her participation or lack of participation in this grievance.
- 4.) All documents, communications and records dealing with the formal processing of a written grievance shall be filed separately from the personnel files of the grievant. The contents of said grievance file shall be open to review by the grievant. A representative of the teacher's own choosing may accompany the teacher in said review.
- 5.) A grievance may be withdrawn or settled at any level without establishing precedent.

#### **ARTICLE XIV**

The Association shall specify the amount of dues to be deducted from each teacher's salary for the current school year. The Association shall furnish such authorization cards.

- A.) The amount of dues specified by the Association will be deducted from each teacher's biweekly paycheck as soon after authorization is received as is administratively possible, but no later than the first pay check of October each school year provided the Association submits all pertinent dues information by September 8 of each school year.

On receipt of dues revocation, the Board will notify the Association in writing of such dues revocation. The revocation shall be implemented in the payroll period following the payroll period in which notice is received subject to the provisions of this Section. If a teacher resigns from the employment of the Board prior to termination of the effective period of the then current authorization, the Board shall deduct the unpaid portion of such authorization from the teacher's final paycheck.
- D.) All dues deducted by the Board shall be remitted to the treasurer of the Association no later than thirty (30) days after such deductions are made.

- E.) The Association shall indemnify and save harmless the Board from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand, or suit, resulting from any reasonable action taken or omitted by the employer for the purpose of complying with the provisions of this Section.

Such evidence shall consist of a physical examination made by a licensed physician of the teacher's choice not more than ninety (90) days preceding the time of presentation to the Board and the cost of such examination shall rest with the teachers.
- 2.) The Board may require a subsequent physical examination, in accordance with Section 24.5 of the Illinois School Code, when, in its judgment, such an examination is relevant to teacher performance or status. The examining physician may be selected by the teacher, but must be approved by the Board, and the Board shall pay the cost of the required examination.
- 3.) Each new teacher shall be advised in writing of this requirement at the time of employment.

#### **B.) Mental Fitness**

If the District requires a psychiatric examination of a teacher, the administration shall select and schedule an evaluation with a mental health professional certified by the State of Illinois. The District shall pay for the examination. The teacher shall be placed on paid leave pending the findings of the examination. Nothing in this provision shall waive the rights afforded to the teacher under state and federal law.

## **ARTICLE XVI**

### **EMERGENCY SCHOOL CLOSING**

- A.) If an emergency day has to be used, every effort will be made by the administration to give notice to teachers through the use of radio, TV, internet, and telephone as early as possible.

#### **B.) Bereavement Leave**

Each teacher shall be entitled up to three (3) bereavement days upon request in case of death in the immediate family or household. Immediate family shall be defined as in the paragraph (A) Sick Leave above. Any additional days required will be taken from his/her sick leave days. The employee will be required to produce proof that they attended the funeral services. This proof can include the individual's obituary, prayer card, or plane ticket.

#### **C.) Personal Leave**

Except in emergency situations, the teacher shall notify the Building Principal in writing at least forty-eight (48) hours before leave is to be taken. The day immediately preceding or immediately following a legal holiday or school recess shall not be recognized as a personal leave day except in a case of emergency as verified to the Building Principal. Unused personal days shall be added to accumulate sick days at year's end.
- 2.) Absence due to duty-connected injury or liability for up to and including 15 days shall not be deducted from the teachers' accumulated sick leave. In such cases the board shall pay the teacher full salary for fifteen (15) school days, after which the teacher must use one-third (1/3) of a day of accumulated sick

leave. Should the teacher also be receiving workmen's compensation for such work-related injury, the teacher shall sign over either the workmen's compensation benefits, or sick leave pay, whichever is less, it being the express intention of the parties that a teacher shall not receive both workmen's compensation payments and sick leave payments from the District at the same time.

**D.) Maternity Leave**

- 1.) If a maternity leave is desired, the teacher shall arrange for a meeting with the Building Principal, the Superintendent, or his/her designee. The purpose of the conference shall be to determine a mutually agreeable plan for leave to be submitted to the Board for approval.

Application for such leave shall be made in writing to the Superintendent, or his/her designee, at least ninety (90) calendar days prior to the beginning of the leave. The Superintendent may waive this provision in an emergency.

Maternity leave may be up to twenty-six (26) calendar weeks from the birth or when the leave is scheduled to begin.

- 2.) Written notice of intent to return shall also be accompanied by a physician's written statement of fitness to return to duty. Re-employment during the school year shall be at the discretion of the Board. For a leave of a period of twelve (12) weeks or less, the teacher shall be guaranteed the same position. For leaves of a period of greater than twelve (12) weeks, the teacher shall be guaranteed a position of which he/she is qualified.
- 3.) Any teacher granted maternity leave that has completed one hundred twenty (120) days or more of the school term prior to the teacher's leave should be considered to have completed a full year for purposes of advancement on the salary schedule.

- 8.) Maternity leave shall be granted without pay. However, the teacher may elect to use accumulated sick leave and personal leave for the purpose of maternity leave. Family Medical Leave (FMLA) shall run concurrently with maternity leave, but not necessarily from the first day of maternity leave. Should an employee's paid leave (sick or personal days) expire prior to the completion of the maternity leave of 26 weeks or less, then FMLA will provide insurance coverage protection during the maternity leave for no more than 12 weeks as allowed in the law. - B.) Both parties agree that it is their mutual responsibility to meet at reasonable times and negotiate in good faith with respect to salaries, fringe benefits, conditions of

employment, grievance procedures, and other matters of mutual concern.

- C.) Negotiations shall begin no later than March 1 of the year the contract expires, unless both parties agree to an alternate date. Meetings shall be held, as necessary at times and places agreed to by both parties.

## **ARTICLE XXI**

### **COMPENSATION PACKAGE**

#### **A.) Salaries**

- 1.) Corrected Salary grids through 2021 are found in Appendix A.

Each bargaining unit member shall receive at 2.5% increase for the 2018-2019 school year; a 2.8% increase for the 2019-2020 school year and a 2.5% increase for the 2020-2021 school year. No employees shall move down a step during the term of this contract.

- 2.) Pay for attendance at field trips which require the teacher to work longer than their regular school day shall be determined by the Board on a per trip basis prior to the field trip.

#### **B.) Retirement Program**

- 1.) **Retirement Benefit Plan.** The Board shall recognize the service of full-time teachers who have rendered a total of at least fifteen (15) full-time years of creditable service to District 168 preceding retirement, and who are eligible to receive retirement pension benefits through the regular retirement provisions of the Teachers' Retirement System of the State of Illinois.

#### **2.) Eligibility and Notice**

- a.) To be eligible, the teacher must have served satisfactorily in the District for a minimum of fifteen (15) full-time years preceding his or her retirement and retire without any Board-paid penalty under TRS ERO.
- b.) The teacher shall provide written notice to the Superintendent of his or her intention to retire and participate in the program either three (3) years, two (2) years, or one (1) year prior to May 1 of the year before the salary enhancements are to start. The Board shall approve the request and notify the teacher within sixty (60) days of the receipt of the notice of intention to retire, provided that all conditions of this Section are met.
- c.) The teacher's notice to the Board and the Board's subsequent action on the request shall constitute a contract by the parties to the terms

stated in the notice, which terms shall be reflected in an individual retirement agreement between the teacher and the Board. If the teacher desires to revoke his or her retirement notice, he or she must make the request in writing to the Board. The Board, at its discretion, may agree to allow the teacher to revoke the retirement. The parties agree that the salary enhancements described in Section C below are contingent on the teacher's agreement to retire per the terms of the retirement notice and that if the teacher's request to revoke the retirement agreement is granted, any salary or compensation paid to the teacher under Section C [i.e., the amounts in excess of the compensation which the teacher would have earned had he or she not submitted a notice to retire] will be repaid to the District within one hundred twenty (120) days and the teacher's earnings reports to the Illinois Teacher Retirement System (TRS) for the appropriate years will be adjusted and amended to reflect these repayments. Moreover, the teacher shall no longer be eligible to participate in the Retirement Program under this Section unless the teacher submits satisfactory evidence that the teacher's decision to revoke his or her retirement notice was due to a "life-changing event" as defined by the COBRA and approved by the Board.

- 3.) **Retirement Benefit.** A teacher who meets the eligibility requirements of Section B above will be paid a compensation increase in each of his/her last years(s) of service equal to three percent (3%) of the amount above the teacher's previous year's TRS creditable earnings (defined as all compensation paid to the teacher, including payment of extracurricular activities, stipends and retirement benefits), inclusive of step and lane movement, for a maximum of three (3) years prior to retirement [or 2, or 1 years depending on the amount of notice the teacher provides, as the case may be) so long as said benefit is permissible by state law and does not cause the District to incur a monetary penalty.

In calculating the teacher's prior school year's compensation for this benefit, the teacher's salary (which shall include only the salary schedule cell) and any activity stipend earned will be calculated separately. If, as part of the prior year's compensation, the teacher earned a stipend, he/she may continue to earn it (or another of equal value) at the contractual stipend rate. If the teacher ceases to participate in a stipend activity or earns a stipend of a lesser value, he/she may not increase his/her stipend earnings in subsequent years if it would cause the teacher's TRS creditable earnings to exceed the previous year's TRS creditable earnings by more than three percent (3%). A teacher also may not earn a stipend of greater value if it would cause the teacher's TRS creditable earnings to exceed the previous year's TRS creditable earnings by more than three percent (3%).

- 4.) **Retiree Insurance.** A teacher who retires after fifteen (15) years of service may elect to have the Board pay the individual (single) teacher's health insurance premium to TRS until the age of 65. In no case will the District pay more to TRS than for the cost of the premium for single coverage in the District.

This benefit does not carry a right of survivorship if the retired employee dies before either of the above conditions occurs.

- 5.) **Limitations on Participation.** The District will not, under any circumstances, be responsible for any employee penalties or costs associated with retirement benefits granted under this Agreement. The parties agree that if legislation is enacted or administrative rules adopted during the life of this Agreement that adversely affects the Board's obligations or employee rights under any of the benefits set forth in this Article, then the provisions relating to such benefits are null and void, and the parties agree to meet within thirty (30) days of the passage of the legislation to renegotiate the provision and the impact on any and all employees. The parties further agree that if legislation is enacted or administrative rules adopted during the life of this Agreement to amend Section 16-158(f) of the Illinois Pension Code [40 ILCS 5/16-158(f)] (i.e., "6% penalty" provision), the parties agree to meet within thirty (30) days of the passage of the legislation to negotiate the impact of such legislation.

C.) **Extra-Curricular Schedule**

Extra duty, tutorial and committee wages will be paid every two weeks. Extra-curricular/duty stipends for teams, activities, and committees will be made in two (2) equal payments on the 2<sup>nd</sup> paycheck of December and the 2<sup>nd</sup> paycheck of May each and every school year. Each payment will include a detailed description of the payments. Any mileage reimbursement will be paid at the current IRS rate.

All applications for new extra-curricular activities for any school year must be submitted by the proposed sponsoring faculty member to the Extra-Curricular Committee by September 1 of each year. All non-seasonal activities, clubs and teams must be in full effect and meeting with students by October 1 of each school year. A list of all said extra-curricular activities and sponsors/coaches and rate of pay will be provided to the Association President by October 15 of each school year.

All extra-curricular activities listed below must be approved by the administration. In order to receive payment for the extra-curricular activity, there must be a minimum of 10 participating students to initiate the club and maintain a minimum of five (5) students for the duration of the club. The club will be facilitated before or after school hours or during a designated duty-free lunch. It must also include direct supervision of and interaction with students until they have left the school property. All extracurricular activities will have an expected outcome. ## D.) **Insurance**

### 1.) **Health**

- a.) The Board shall pay seven thousand dollars (\$7000.00) for the 2018-2019 school year, seven thousand two hundred dollars (\$7200.00) for the 2019-2020 school year and seven thousand four hundred dollars (\$7400.00) for the 2020-2021 school year toward major medical premiums for individual participants.
- b.) The Board and SVEA shall establish a joint insurance committee that shall be charged with the further investigation of insurance policy and benefit options. This committee shall make its recommendations to the Board and the SVEA executive committee annually by February 1. It is intent of the parties that the insurance committee recommendations shall maintain the benefit structure of the current policy without exceeding the insurance cap set forth in this agreement for the duration of this Agreement.

Should the Affordable Care Act affect the integrity of the Health Insurance benefit options, then the parties agree to meet within 20 working days to discuss possible implications and changes to the current plans.

- c.) The Board shall pay the following amounts toward individual dental insurance, respectively:

Current contract	\$500
------------------	-------

- d.) The Board shall pay single or family vision coverage for those employees not participating in medical health insurance.
- e.) The specific provisions of Article 20.E notwithstanding, the parties agree to enter into collective negotiations in the event of passage of federal or state mandatory health care coverage legislation. Also, should the above mentioned insurance committee so recommend to the Board and the Executive Committee of the SVEA, negotiations regarding insurance carrier, policies, and specifications shall commence no later than thirty days prior to the anniversary date of current insurance policy contracts.

### 2.) **Life Insurance**

The District will pay the total cost of fifty thousand dollars (\$50,000.00) life insurance for each teacher.

E.) **Advanced Education**

- 1.) The Superintendent of Schools, as in the interest of the School District, must approve all hours/courses in advance for said hours to count for purposes of lane advancement and degrees.
- 2.) Board shall establish a fund of twenty-five thousand dollars (\$25,000.00) for each of the current contract school years for tuition reimbursement.

Any teacher who obtains the written approval of the Superintendent or his/her designee for graduate course work shall be entitled to receive reimbursement for actual tuition costs not to exceed a maximum of three hundred (\$300.00) per semester hour, provided that the teacher receives a grade of "C" or better, and further subject to the provisions set forth below.

Teachers requesting reimbursement must submit official transcripts for the same between September 1 and September 30 of the school year following completion of the graduate course work or after the summer of completion of the work. Failure to submit the request for reimbursement by September 30 will result in the inability of the teacher to receive reimbursement. To qualify for tuition reimbursement the teacher must return as a regular employee of School District 168 the September following completion of their course work.

From the fund designated by the Board, if all requests for reimbursements do not exceed twenty-five thousand dollars (\$25,000.00) at three hundred dollars (\$300.00) per semester hour, then and only then shall all teachers submitting reimbursement requests receive the actual cost of tuition per semester hour. If, however, the sum total of reimbursement requests exceeds twenty-five thousand dollars (\$25,000.00), then all teachers will receive a proportionate share of their actual cost provided the entire reimbursement does not exceed twenty-five thousand dollars (\$25,000.00). However, no one teacher shall receive more than Three Thousand Six Hundred Dollars (\$3600) in any fiscal year in reimbursement under this provision.

- 3.) For teachers to qualify for lane advancements in excess of the MA Lane, hours in excess of the Masters degree shall generally be graduate credit hours, and pre-approved by the Superintendent.
- 4.) Should an employee who receives reimbursement under this provision leave the employ of the school district within five (5) years or less of receiving such reimbursement, he/she shall be required to reimburse the school district for all or part of that reimbursement according to the following schedule:

1 year or less 100%  
1 year to 2 years 75%  
2 years to 3 years 50%  
3 years to 4 years 25%  
4 years to 5 years 10%

F.) **Other**

- 1.) By virtue of the authority granted by the Pension Reform Act of 1974 and subject to the limitations imposed thereby, the Board of Education agrees as follows:
  - a.) To pick-up and pay to the Teachers' Retirement System of the State of Illinois, towards the "members contribution" specified by Chapter 108-1/2, Ill.Rev.Stat., Section 152, eight percent (8%) of the amount each teacher would otherwise receive on the respective salary schedule.
  - b.) Beginning with the first appropriate pay period following settlement of the contract, the Board will withhold an amount equivalent to the amount which it would have withheld and remitted to Internal Revenue Service in the absence of the treatment of the amounts specified in Paragraph (a) of this Section as deferred income. This amount shall be withheld until such time as an opinion is received by the Board from an appropriate Treasury Department official stating that the program established by this Section is either approved or disapproved as a method of deferring taxation of income under the Internal Revenue Code.
  - c.) In the event that an opinion is received which approves the program, the Board shall immediately return to each teacher all monies withheld pursuant to Paragraph (b) of this Section.
  - d.) In the event that an opinion is received which disapproves the program established by this Section, the Board will be relieved of all obligations to comply with the above Sections and all salary amount actually paid to teachers will be reported as taxable income to the Internal Revenue Service on Form W-2 for the appropriate tax year.
  - e.) The procedure specified above will be applied to all members of the bargaining unit currently contributing to the Teachers' Retirement System of the State of Illinois.
  - f.) Should a court of competent jurisdiction declare any of the above illegal, the affected paragraph shall be unenforceable.
- 2.) Permission will be granted by the Board to join a credit union with payroll deductions. The procedures must be submitted to the Board for approval. Payments by the District to a teacher's annuity fund/credit union shall be forwarded each payroll period, if possible, for the Township Treasurer's office to implement, if the agencies will bill every payroll period instead of monthly for annuity funds.
- 3.) **General Limitation on Compensation Increases.** Notwithstanding anything to the contrary in this Agreement, the parties agree that any teacher who is

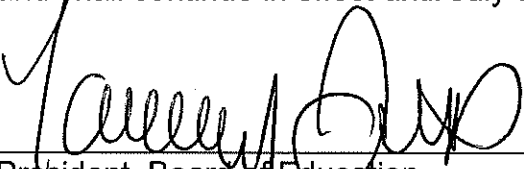

within four (4) years of being eligible for either early or regular retirement under the Illinois Pension Code shall not be eligible for any additional compensation which cause the teacher to exceed a three percent (3%) increase in TRS creditable earnings from the prior year's salary due to lane, step, extra-curricular or extra-duty assignment.

- 4.) **Pension Cost Shift Meeting.** Should the District's required contribution to the Teacher Retirement System of the State of Illinois be increased by more than five percent (5%) over the previous year at any time during the duration of this Agreement, the District and Association agree to meet to discuss the financial obligations of the Agreement and discuss the impact of the increase.
