- Our program is established for your **ROE 54**.
- Courses have been designed to develop a strong understanding of skill sets to prepare candidates for various leadership opportunities.
- The course content will provide an operational understanding of the management functions, policies, and procedures specific to east central Illinois schools.
- Graduates of the EIU EDS program may qualify for the **School Superintendent Endorsement**.
- An EDS in EDL requires the completion of a **Capstone Field Study Internship** as part of the Superintendent Endorsement, which is a field based course to engage the candidate in the application and analysis of research-based activities, plus projects related to school leadership.
- **Tuition = Approximately \$350.00 per semester hour**, which includes all textbooks.
