

In an effort to inform the Cherokee County community better, the District will show account numbers for the checks written by the District. The first three numbers are the fund from which the check is paid. Following is a brief explanation of each fund number.

Fund 100	General Fund; the main operating account of the District consists of a combination of state and local taxes.
Fund 2xx, 3xx, 8xx, 9xx	Special Revenue Funds; these are federal, state, and local funds for programs or projects that are usually restricted to a segment of the student population and to how the funds may be spent. Examples of these funds include Title I and IDEA.
Fund 40x	Debt Service Fund; this is the fund used to pay the bonds and leases that the District owes.
Fund 5xx	Capital Projects Fund; this fund is used to pay for construction, renovations, and equipment that the District purchases.
Fund 600	School Food Service Fund; this is the operating account for the school cafeterias.
Fund 7xx	Pupil Activity Funds; these are funds reserved for student clubs and extracurricular activities. For the majority of these funds, the District acts solely in a trust or fiduciary role for the users of these funds.
