First Name: _____ Last Name: _____

Current grade: _____ Semester (circle): Fall Spring

To qualify for active CSF membership, a minimum of 5 hours per semester devoted to volunteer service is required. Please submit this form to Mrs. Andersen attached to your CSF Application by the deadline announced in school bulletin. Community service must be verified each semester for continued membership. The California Scholarship Federation, Inc. is an organization dedicated to foster high standards of scholarship and citizenship through service to the school and community. The Bishop Union High School Chapter provides for these goals through active membership and service. Your community service hours will be added to your permanent transcript. Volunteer service may include tutoring students or working for a charitable organization (without pay). Work may be counted if completed any time in the last 6 months as long as it has not been used as credit for another organization or requirement. IF volunteering along with a family member - the service must be for a recognized non-profit/charitable or community based organization (Mule Days, ESCA, etc.). Ask if there are ANY questions about your service being counted.
