BCPS 2018 Results 11th Grade ACT

Performance Level Descriptors for ACT:

Developing students are likely to need developmental courses before being able to access credit-bearing first year courses in majority of NE postsecondary institutions.

On Track students are approaching the ACT College Readiness Benchmark & are likely to be able to access credit-bearing first-year related content course at some NE postsecondary institutions without remediation.

ACT Benchmark students meet or exceed the ACT College Readiness Benchmark & are equipped to enroll without remediation & succeed in a cred-bearing first-year course at a 2 year or 4 year institution, trade school, or technical school. Students have at least a 50% chance of getting a B or better & a 75% chance of getting a C or better in a first-year related content course.
