

# **SONS OF AMERICAN LEGION SQUADRON 58**

## **SCHOLARSHIP**

### **Introduction**

Founded in 1932, the Sons of The American Legion (S.A.L) exists to honor the service and sacrifice of veterans and members of the American Legion. Although Sons has its own membership, the organization is not a separate entity. Rather, S.A.L. is a program of The American Legion. The Sons organization is divided into detachments at the state level and squadrons at the local level. A squadron pairs with a local American Legion post to work collectively to strengthen the four pillars of The American Legion: place an emphasis on preserving American traditions and values, improve the quality of life for our nation's children, care for veterans and their families, and teach the fundamentals of good citizenship. S.A.L. members include males of all ages whose parents or grandparents served in the U.S. military and were eligible for American Legion membership.

As one of many efforts to further the aforementioned goals, S.A.L. Squadron 58 in Smithville has established a \$1000.00 scholarship to be awarded annually to one graduating student from Smithville High School who is pursuing post-secondary education. The recipient selected will be the individual deemed to most embody the objectives and aspirations of S.A.L.
