SEPTEMBER 2021

A Message from Dr. Schuetz - September 29, 2021

Update From Dr Schuetz 9 27 21

HOMEcomings 2021

Smithville's District-wide Homecoming festivities run September 27-October 1. This year's theme is "ROAD TRIP".

The Homecoming Parade will begin at 2 p.m. on Friday, October 1. Here is a [MAP](#) of the parade route. School dismissal will follow the early release schedule:

High School - 12:05

Middle School - 12:00

Elementary - 1:15

Immediately following the parade, at the stage in Smithville Downtown Courtyard, a community pep rally will be held. Smithville High School cheerleaders and dance team will perform, and the SHS Homecoming King will be crowned. This event is open to the community.

Homecoming Football Game: The Warriors will host the Grandview Bulldogs at 7 p.m. on Friday, October 1 at Warrior Stadium. The Homecoming Queen will be crowned at halftime. The Warrior Pride

Marching Band will perform after the game.

Homecoming Dance: The Homecoming Dance will take place from 8 p.m. to midnight on October 2 in the Smithville High School parking lot. \$10 entry fee.

SMS IS PARTICIPATING IN "HOW FULL IS YOUR CUP?" PROGRAM

The week of October 18-22, Smithville Middle School will be participating in the Encourage Hope & Help Program: "How Full Is Your Cup?". The Middle School Counseling Department has partnered with Tri-County Mental Health Youth Prevention Services to bring this to all of our students! This campaign focuses on identifying the individual stressors that "fill our cup" and by the end of the week teaches and promotes healthy ways to "empty our cup".

Throughout the week students will be participating in small challenges, hearing encouraging quotes, and learning the difference between healthy vs. unhealthy stress and the importance of filling the students' "toolbox" with healthy coping skills.

SMITHVILLE HIGH SCHOOL WINS NATIONAL AWARD FOR COLLEGE SUCCESS

Smithville School District is proud to announce that Smithville High School has received a College Success Award - Gold from GreatSchools.org, the nation's leading nonprofit providing school information to parents and families.

New in 2021, the organization's Gold level distinction recognizes high schools with a multiyear track record of preparing students to enroll and succeed in college, as determined by available college preparation and postsecondary data.

Smithville High School is one of only 1,770 public high schools across the nation to win the inaugural College Success Award - Gold.

ARCHERY PROGRAM AWARDED GRANT

The Smithville High School and Middle School Archery teams were awarded over \$26,000 in equipment through a grant from the NRA Foundation. Head Archery Coach Jeremy Batliner stated, "The archery program has been a way to get kids involved that you wouldn't normally see in any other sport, as you don't have to be the strongest or the fastest. With the equipment & funds we received from the NRA Foundation Grant we will now be able to add NASP IBO 3D (3D animal targets) to our competitions for our archery teams, along with being able to help the PE classes at the High School and Middle School have more kids engaged at one time during classes." The archery program at Smithville School District began in the 2016-2017 school year and has been expanding over the last 5 years. Currently there are 24 archers on the Middle School team and 17 on the High School team. The National Archery in the Schools Program is an in-school program aimed at improving educational performance among students in grades 4-12. Through it students are learning focus, self-control, discipline, patience, and life lessons required to be successful in the classroom and in life. Batliner said, "Currently our District offers this program in grades 7-12, but hope to see it in our elementary buildings for grades 4-6 soon."
