Happy Valentine's Day!!

This month's theme for the MTSS assembly is perseverance. Due to the many snow, cold and ice days, we have encountered during the last two weeks, our assembly had to be canceled.

Perseverance means never giving up even when it's difficult to achieve your goal or success. Or as the great actress, Julie Andrews said, "Perseverance is failing 19 times and succeeding on the 20th." As we persevere through the month of February and this winter weather, think about something that is difficult for you to do. What do you do when this happens? Do you give up or do you keep trying?
